Old Business

Parrott Avenue Update - Mr. Roberts reported:

PHS Turf Field Update - Mr. Roberts reported:

Mr. Legg thanked City Staff, Gilbane and JCJ for completing the field on time and under budget.

Mr. Roberts described the water fountains in the existing 1930 portion of the building and how they are inlaid on mosaic glazed tile. This could be replicated in the new building and could possibly be a part of the art program.

The same group will oversee the RFP process. Mr. Bartlett reported that he has a sample RFP for guideline purposes.

Mr. Legg suggested that a sub-group be formalized, and might include a City Council representative. This group should submit a proposal to JBC about selection/decision process. Mr. Bartlett will convene another meeting of this group.
