Councilor Spear moved to enter into a “Non-Meeting” with Counsel regarding Proposed Early Retirement Program in accordance with RSA 91-A:2, I (b) at 6:30 p.m. Seconded by Councilor Lown.

Assistant Mayor Splaine moved to amend the motion to include Proposed Early Retirement Program “for the Police Department”. Seconded by Councilor Morgan.

On roll call 7-0, voted to pass the amendment to include “for the Police Department” to the title of the “Non-Meeting”. Councilors Shaheen and Dwyer were not present for vote.

On a roll call 5-2, voted to enter into “Non-Meeting” with Counsel regarding Proposed Early Retirement Program for the Police Department in accordance with RSA 91-A:2, I (b). Councilors Lown, Morgan, Spear, Thorsen and Mayor Lister voted in favor. Assistant Mayor Splaine and Councilor Kennedy voted opposed. Councilors Shaheen and Dwyer were not present for vote.

Assistant Mayor Splaine stated he would not attend this “Non-Meeting” with Counsel.

IV. INVOCATION

Mayor Lister asked everyone to join in a moment of silent prayer.

V. PLEDGE OF ALLEGIANCE

George Dempsey led in the Pledge of Allegiance to the flag.

PRESENTATION

1. Pedestrian and Bicycle Plan – Juliet Walker, Transportation Planner

Transportation Planner Walker provided an updated on the Pedestrian and Bicycle Plan and addressed the related policy initiatives and plans.
She discussed the public outreach that was done with an online WikiMap, 2 public meetings and targeted outreach with a Bicycle and Pedestrian Advisory group, seniors’ luncheon and the Portsmouth Housing Authority. She also addressed the 5 E’s for Non-Infrastructure Recommendations which are Engineering, Education, Encouragement, Enforcement and Evaluation. In addition, Transportation Planner Walker reviewed the implementation process with the City Council.

Councilor Kennedy asked if skateboards and segways were included in this or would this have a second report. Transportation Planner Walker said most improvements could apply to those modes of transportation.

Councilor Lown thanked Transportation Planner Walker for all of her work on this over the last 3 years. He said we were planning to apply for the gold status of Bicycle Friendly Community and now we are talking about platinum status.

Transportation Planner Walker stated she will continue to provide updates to the City Council as we move forward with the process.

Councilor Lown moved to approve and accept the minutes of the November 17, 2014, December 8, 2014 and December 22, 2014 City Council meetings. Seconded by Councilor Morgan.

On a unanimous roll call vote 8-0, motion passed.

VII. PUBLIC COMMENT SESSION

Beth Margerson spoke regarding AIRBNB and said that she believes there is one operating in her neighborhood but is unable to confirm it so she has not reported it. She said we have a Master Plan and it should be followed.

Mark Brighton spoke regarding the rate of inflation being .9% which is less than 1%. He said the Joint Budget Committee is recommending a guideline of 3.9% which he feels is outrageous and unsustainable.

Declan McEachern, Rye, NH spoke in support of AIRBNB and stated he had one when he lived in New York. He said this puts money in the resident’s pockets and the people that stay at the AIRBNB are the type of people you want to visit the City.

Erik Anderson spoke to derelict buildings in the City and said he is pleased that there will be a work session on this matter. He spoke to various properties in the City that need attention.

Jeffrey Cooper said that AIRBNB are really tourist rentals. He said when this became an issue he was a case study and received a cease and desist order last fall. He was told at that time to apply for a special exemption, which he did and was denied because his property did not meet the criteria of a BNB. Mr. Cooper said that the City needs to create a policy.
Abby Cooper said that the City has a current ordinance which addresses AIRBNB and it is home occupation. She said the City does not need to create a new policy it is more about defining the client in the current ordinance.

Howard Mangold spoke regarding the need for the City to create a Swap Shop. He said other communities have them and he would be willing to assist the City in anyway to get one started here in Portsmouth.

George Dempsey spoke in opposition to the AIRBNB and said they should not be allowed in neighborhoods. He said this negatively impacts residents in the neighborhoods where these are taking place.

VIII. PUBLIC HEARING

A. RESOLUTION IN THE AMOUNT OF FIVE HUNDRED FIFTY-FIVE THOUSAND FIVE HUNDRED DOLLARS ($555,500.00) FOR A SUPPLEMENTAL APPROPRIATION RE: COLLECTIVE BARGAINING AGREEMENTS

Mayor Lister read the legal notice, declared the public hearing open and called for speakers. With no speakers, Mayor Lister closed the public hearing.

IX. APPROVAL OF GRANTS/DONATIONS

A. Acceptance of Donation from Mark Wentworth Home in the amount of $15,000.00 in support of the monthly Senior Luncheons

Councilor Morgan moved to approve and accept the donation from The Mark Wentworth Home, as listed. Seconded by Councilor Spear.

On a unanimous roll call vote 8-0, motion passed.

X. CONSIDERATION OF RESOLUTIONS AND ORDINANCES

A. Adoption of Resolution in the amount of Five Hundred Fifty-Five Thousand Five Hundred Dollars ($555,500.00) for a Supplemental Appropriation Re: Collective Bargaining Agreements.

Councilor Spear moved to adopt a Resolution in the amount of Five Hundred Fifty-Five Thousand Five Hundred Dollars ($555,500.00) for a Supplemental Appropriation from Unassigned Fund Balance regarding Collective Bargaining Agreements in accordance with Section 7.14 of the City Charter. Seconded by Councilor Lown.

Councilor Thorsen said the decision to spend the money has been made, so the decision this evening is where the funding will come from.

On a unanimous roll call vote 8-0, motion passed.
B. Third and Final Reading of Proposed Ordinance amending Chapter 10 – Zoning Ordinance, Section 10.440 Table of Uses, use #15.20 and Section 10.1530 Terms of General Applicability, regarding Helipad and Heliport

Councilor Spear moved to accept the recommendation of the Planning Board that the Zoning Ordinance be amended as proposed and, further, move to pass third and final reading. Seconded by Councilor Morgan.

On a unanimous roll call vote 8-0, motion passed.

C. Third and Final Reading of Proposed Ordinance amending Chapter 10 – Zoning Ordinance, Section 10.1110 – Off-Street Parking by Inserting a new paragraph 10.1115.24 – The Provisions of Section 10.1112.50 – Maximum Number of Parking Spaces, shall not apply to Buildings and Uses within the Downtown Overlay District

Councilor Lown moved to pass third and final reading of the proposed Ordinance as recommended by the Planning Board, as presented. Seconded by Councilor Spear.

On a unanimous roll call vote 8-0, motion passed.

XI. CONSENT AGENDA

A MOTION WOULD BE IN ORDER TO ADOPT THE CONSENT AGENDA

A. Acceptance of Police Department Grant and Donations:

- A Grant in the amount of $7,391.00 from Susteen Advanced Mobile Forensics. The total cost of the equipment is $12,390.00, the grant pays for $7,391.00 of the cost and the matching funds of $4,999.00 will come from the main ICAC funding Grant already in place
- Donation of a Gateway laptop computer by Homeland Security to the Portsmouth Police Department. This is forfeited equipment resulting from a New Hampshire Internet Crimes Against Children Task Force Case
- A Donation in the amount of $25.00 from retired Police Commissioner William Mortimer in support of the Portsmouth Explorer Post
- A Donation in the amount of $151.40 from retired Chief Dr. David “Lou” Ferland, in support of the Portsmouth Police Explorers
- A Donation to the Police Department from Newburyport Five Cents Savings Bank in the amount of $500.00

(Anticipated action - move to approve and accept the grant and donations to the Portsmouth Police Department)

B. Acceptance of Donation to the Fire Department from Newburyport Five Cents Savings Bank in the amount of $500.00 (Anticipated action - move to approve and accept the donation to the Portsmouth Fire Department)
C. Acceptance of Donation to the Coalition Legal Fund:
   • Town of Carroll - $1,000.00
   (Anticipated action - move to approve and accept the donation, as listed, to be placed in the Coalition Legal Fund)

D. Letter from Emily Christian, National Multiple Sclerosis Society, Greater New England Chapter, requesting permission to hold the 2015 Bike MS NH Seacoast Escape on Saturday, August 22, 2015 (Anticipated action – move to refer to the City Manager with power)

Councilor Spear moved to adopt the Consent Agenda. Seconded by Councilor Morgan.

On a unanimous roll call vote 8-0, motion passed.

XII. PRESENTATION & CONSIDERATION OF WRITTEN COMMUNICATIONS & PETITIONS

(There are no written communications or petitions on for acceptance)

XIII. REPORTS AND COMMUNICATIONS FROM CITY OFFICIALS

A. CITY MANAGER

1. Ratification of Purchase of Property Re: 113 Cottage Street

City Manager Bohenko said he is looking for ratification by the City Council for purchasing the property which abuts the Doble Center. He indicated he is offering $270,000.00 for the property and the funds will come from the Mariner Park Associates Property fund.

Community Development Director Moore provided a brief presentation of the property. He showed where the property is located in relation to the Doble Center and that it would add measurably to the Doble Center.

Councilor Spear moved that the City Council ratify the purchase of 113 Cottage Street in the amount of $270,000.00 from the Mariner Park Associates Property fund, and further, refer this matter to the Recreation Board, Senior Subcommittee of Recreation Board and the Planning Board for their advisory review. Seconded by Assistant Mayor Splaine.

City Manager Bohenko stated we do not intend to do anything with the property immediately. He stated he would come back to the City Council to rent the property and gain income.

Councilor Lown stated he needs to recuse himself from the vote.

Assistant Mayor Splaine asked if we should refer this to the Recreation Board and Senior Center Subcommittee of the Recreation Board. Councilor Spear agreed to have this as part of the motion.

Assistant Mayor Splaine said he wants residents to look at this and offer input on the matter.
Councilor Kennedy said that this continues to be a hard decision for her because she does not want it to become the Recreation Center or the Police Department. She said the property should become the Senior Center which is much needed.

Councilor Thorsen expressed concerns with the City becoming a landlord.

**On a unanimous roll call vote 7-0, motion passed. Councilor Lown abstained from voting on this matter.**

**Informational items**

2. Report Back Re: Abandoned or Derelict Buildings

City Manager Bohenko would like to have this as a topic for the February 9th Work Session. He said we will try to have several topics as part of our Work Sessions. He stated that City Attorney Sullivan would prepare a presentation for the Work Session.

Councilor Morgan asked if we have other items for the February 9th Work Session because she is concerned that there may not be enough time.

City Manager Bohenko said we would also have AIRBNB and the Work Session would start at 6:30 p.m.

Mayor Lister said Assistant Mayor Splaine and Councilor Dwyer both have items on the agenda and he would like them moved to the February 9th Work Session but they could speak briefly to the matter this evening.

Councilor Kennedy said she is against eminent domain for derelict buildings and would like to see the Council go in another direction.

Councilor Lown thanked City Attorney Sullivan for his detailed memorandum on derelict buildings and listing the options available to the City with these types of properties.

**B. MAYOR LISTER**

1. Joint Budget Committee Recommendation for FY16 Operating Budget

**Councilor Spear moved to accept budget guidelines recommended from the Joint Budget Committee for the FY16 Operating Budget, as presented. Seconded by Councilor Lown.**

Councilor Kennedy said she would not support the motion. She does not feel it is fair to our young families and senior citizens. She said it is a slimy way of doing this and there should have been discussion by the City Council.

Mayor Lister said we have had meetings on this where people could come and express their views.
Councilor Spear said the Joint Budget Committee is an information gathering committee. He said the increase is because what people are experiencing in their own homes with increases in health, electricity and oil prices. He said we need to give direction to our departments in order for them to create their budget. Councilor Spear said the 3-4% increase would be a minor tax increase and that this is a reasonable approach.

Councilor Thorsen said he feels the 3.95% increase is too high.

**Councilor Thorsen moved to amend the motion and strike the 3.95% as the set percentage increase for the operating budget to 1.9%. Seconded by Councilor Kennedy.**

Assistant Mayor Splaine said he opposes both figures. He said he objected to reinstating the Joint Budget Committee. He wants to hear the visions of the departments and commissions and the Council needs to decide what we should be doing for investments to the future.

Councilor Lown stated we are only voting on a ceiling for the budget. He said most of the City Council was in favor of the establishment of the Joint Budget Committee during our retreat last year. He feels much of this talk that is premature this evening and we need to remember the City Council always brings the budget down before adoption.

Councilor Morgan said departments need to look at efficiencies. She said we need to consider our wastewater treatment plant and the amount of that expense to the budget and taxpayers.

**On a roll call vote 3-5, motion to amend and strike the 3.95% as the sent percentage increase for the operating budget to 1.9% failed to pass. Councilors Kennedy, Morgan and Thorsen voted in favor. Assistant Mayor Splaine, Councilors Lown, Dwyer, Spear and Mayor Lister voted opposed.**

City Manager Bohenko said that this is the beginning of our process. He said the Charter requires that the City Manager start to put in place the budget and on Wednesday he would be meeting with department heads on budget guidelines, whatever happens this evening. He suggested adding to the motion the total number increase not to exceed $3,000,000.00 for the operating budget.

**On a roll call 5-3, voted to accept budget guidelines recommended from the Joint Budget Committee for the FY16 Operating Budget, as presented and that the operating budget increase shall not exceed more than $3,000,000.00. Assistant Mayor Splaine, Councilors Lown, Dwyer, Spear and Mayor Lister voted in favor. Councilors Kennedy, Morgan and Thorsen voted opposed.**

At 9:00 p.m., Mayor Lister declared a brief recess. At 9:10 p.m., Mayor Lister called the meeting back to order.

Councilor Shaheen joined the meeting via conference call at 9:10 p.m.
2. Report Back Re: Members to the Blue Ribbon Committee on the Sagamore Creek Land

At the City Council meeting on December 8, 2014, the Blue Ribbon Committee on Sagamore Creek Land was established. The charge of the Committee is to develop a plan for public usage of the 66-acre city-owned parcel. A report back to the City Council shall be completed on or prior to September 21, 2015:

*The following Committee members have been appointed:*
1. Councilor Eric Spear, Chairman, Council Representative
2. Councilor Christine Dwyer, Council Representative
3. Allison Tanner, Representative from the Conservation Commission
4. Lennie Mullaney, Representative from the School Board
5. Kory Sirmaian, Representative from the Recreation Board
6. John Mikolajcyk, Resident
7. Alison Pyott, Resident
8. Ex-officio City Manager, or his designee Non-Voting

Mayor Lister reported on the establishment of the Blue Ribbon Committee on the Sagamore Creek Land which he created at the December 8, 2014 City Council meeting. He reviewed the charge of the Committee with the City Council and stated that a report back to the City Council shall be completed on or prior to September 21, 2015. He also stated this land is for public usage and for the City to enjoy.

3. Appointment to be Considered:
   - Jay Leduc – Appointment to the Planning Board as a regular member (current alternate)
   - Reagan Ruedig – Appointment to the Historic District Commission as a regular member (current alternate)
   - Richard Shea – Appointment to the Historic District Commission as an alternate member

The City Council considered the appointments listed above and action will be taken at the January 20, 2015 City Council meeting.

4. Resignations:
   - Shelley Saunders from the Conservation Commission
   - Tracy Kozak from the Historic District Commission

Councilor Lown moved to accept with regret the resignations of Shelley Saunders from the Conservation Commission and Tracey Kozak from the Historic District Commission and a letter of thanks and appreciation being sent to Ms. Saunders and Ms. Kozak for their years of service to the City. Seconded by Councilor Kennedy.

On a unanimous roll call vote 9-0, motion passed.
C. ASSISTANT MAYOR SPLAINE

1. AIRBNB – How we can make it work in Portsmouth (See attached)

Assistant Mayor Splaine said he placed this item on the agenda based on the discussion held by the Planning Board and feels we need to have a more in-depth discussion on this matter and stated he looks forward to the February 9, 2015 Work Session. He said this gives the City Council an opportunity to be proactive.

Councilor Morgan asked City Manager Bohenko to incorporate the memorandums from Assistant Mayor Splaine and Councilor Dwyer as part of the documents for the February 9, 2015 Work Session.

Councilor Kennedy stated that there are locations on the internet that have not received cease and desist orders from the City and everyone should receive the order and not just a select few.

D. COUNCILOR KENNEDY

1. Commercial Properties and the potential Assessors letter being sent out by the City

Councilor Kennedy said the letter that was potentially going to be sent to commercial property owners did not indicate the information the Assessor was seeking was voluntary. She also said the letter is not required by law.

Councilor Kennedy moved not to send the letter to our commercial entities. Seconded by Councilor Morgan.

Councilor Spear stated that this motion is out of order based on Council Rule #9 and the motion should be written. He said Councilor Kennedy should bring the motion forward at the next meeting with a written motion. Councilor Kennedy stated that she does not mind moving the motion to the next meeting of the City Council scheduled for January 20, 2015.

City Manager Bohenko said this is equivalent to him not interfering with the City Clerk on Elections. He stated that our Assessor has been commended by the State for her process on valuing properties. He said the Assessor uses the information as a tool and it is voluntary. City Manager Bohenko said it is bad precedent to interfere with how the Assessor collects data. He said there is a Charter provision that does not allow for the City Council to interfere with departments.

City Attorney Sullivan said that this is a City Manager form of government and under the Charter there is a non-interference clause.

Mayor Lister declared Councilor Kennedy’s motion out of order.
Councilor Kennedy stated she will bring a motion forward at the January 20, 2015 City Council meeting requesting the City Manager not send out a letter to commercial property owners unless it states the form enclosed for completion with the letter is voluntary.

E. COUNCILOR LOWN

1. Parking & Traffic Safety Committee Action Sheet and Minutes of the November 13, 2014 meeting

Councilor Spear moved to approve and accept the action sheet and minutes of the November 13, 2014 Parking & Traffic Safety Committee meeting. Seconded by Councilor Lown.

On a roll call vote 8-1, motion passed. Councilor Kennedy voted opposed.

F. COUNCILOR DWYER

1. Request for Work Session Re: Home-owner short-term rentals

Councilor Dwyer stated property owners renting out their homes as AIRBNB may require mortgage companies to pull owners mortgages and insurance companies to void insurance policies on these homes. She said our zoning laws are restrictive and maybe overly restrictive on in-law accessory use. Councilor Dwyer said we should not only look at it as AIRBNB but as an option for home owners to rent out for longer period of times. She said that this is a multilayer issue.

G. COUNCILOR THORSEN

1. Reconsideration of Adoption of Bonding Resolution of up to Six Hundred Thousand Dollars ($600,000.00) for the Purchase of a Heavy Rescue Fire Truck

Councilor Thorsen said at the last Council meeting we looked at this Resolution and the motion failed to pass. He said he spoke with Chief Achilles and the Chief feels he could get a truck for $500,000.00.

Councilor Thorsen moved to reconsider Adoption of Bonding Resolution of up to Six Hundred Thousand Dollars ($600,000.00) for the Purchase of a Heavy Rescue Fire Truck. Seconded by Councilor Lown.

Councilor Lown asked what if we had the department go out to bid on this. City Manager Bohenko said you could have the department go out to bid but it would need to be disclosed that it is subject to the City Council approving the funds.

Councilor Lown said he met with Chief Achilles and looked at the truck, which has 75,000 miles and no matter what the City Council does, the vehicle will be sold. He said the equipment would then need to be brought to the scene of an incident at the direction of the Fire Department.
Mayor Lister passed the gavel to Assistant Mayor Splaine.

Mayor Lister said he would vote against the Resolution for the truck and that he would like to see the big picture. He would like the Chief to come before the City Council to speak to the long range plan for the Fire Department and then work with Chief Achilles and the Fire Commission on purchasing what is needed.

Assistant Mayor Splaine returned the gavel to Mayor Lister.

Councilor Lown asked if Councilor Thorsen would reconsider tabling this and having the Fire Chief come back with the market value on this and discuss what the big picture is with the City Council.

Councilor Dwyer said that the City Council does not have the knowledge for looking at fire trucks like the Fire Chief does.

Councilor Thorsen said he would not table the matter at this point.

On a roll call 7-2, voted to reconsider Adoption of Bonding Resolution of up to Six Hundred Thousand Dollars ($600,000.00) for the Purchase of a Heavy Rescue Fire Truck. Assistant Mayor Splaine, Councilors Shaheen, Lown, Dwyer, Morgan, Spear and Thorsen voted in favor. Councilor Kennedy and Mayor Lister voted opposed.

City Attorney Sullivan said now the adoption of the Resolution is back before the City Council.

Councilor Thorsen moved to Adopt a Bonding Resolution of up to Five Hundred Thousand Dollars ($500,000.00) for the Purchase of a Heavy Rescue Fire Truck. Seconded by Councilor Morgan.

Councilor Kennedy moved to amend the motion to have the Fire Department go out to bid and that it is contingent upon the City Council approval for funding. Seconded by Councilor Lown.

Councilor Thorsen said that Councilor Kennedy’s motion is not a proper motion to amend.

City Attorney Sullivan said that these are decision for the City Council to make. He said the City Council needs to decide if the change is a substantial enough that changes the intent of the Resolution and would require a new Resolution.

Councilor Lown said we would need 6 votes to pass the Resolution. He said he would vote against the motion and he does not see what we are losing by having the Fire Department go out to bid.

Councilor Morgan said asking for bids is simple but Fire Chief Achilles has been here several times now and we need to let the him know what information we want so that he can move forward.
Councilor Kennedy withdrew her motion to amend and Councilor Lown withdrew the second to the motion.

Councilor Shaheen said she is concerned with reducing the number of the Resolution. She stated that Chief Achilles stated the public safety could be compromised with getting safety equipment to the scene of an accident.

Councilor Dwyer said the motion means we are not going to pay $500,000.00 but up to $500,000.00 for the vehicle. She said this is equipment that we need whether we have 2 or 3 stations.

On a roll call vote 5-4, motion to Adopt a Bonding Resolution of up to Five Hundred Thousand Dollars ($500,000.00) for the Purchase of a Heavy Rescue Fire Truck failed to pass. Assistant Mayor Splaine, Councilors Shaheen, Dwyer, Morgan and Thorsen voted in favor. Councilors Kennedy, Lown, Spear and Mayor Lister voted opposed. Six votes are required for Adoption of the Resolution.

Councilor Lown moved that the Fire Commission go out to bid for a truck that is new or slightly used with no equipment included. Seconded by Councilor Kennedy.

Councilor Lown said the equipment would be upgraded later with the Capital Improvement Program funding. He said the equipment already exist in the truck.

Councilor Shaheen moved to amend the motion to request the Fire Commission go out to bid for a truck that includes the equipment needed. Seconded by Councilor Thorsen.

Councilor Lown said he has no problem with the amendment proposed by Councilor Shaheen.

Councilor Thorsen said he would be voting against the main motion.

City Attorney Sullivan advised the City Council they cannot direct the Fire Chief to do anything.

Councilor Lown said he agrees the motion should state the Fire Commission and not the Fire Chief.

City Attorney Sullivan said when the Fire Commission comes back with bids the City Council would need to make a motion for a vote. City Manager Bohenko said another public hearing on the Resolution and vote to adopt the Resolution will need to take place by the Council.

On a roll call 7-2, voted to amend the motion to request the Fire Commission go out to bid for a truck that is new or slightly used and includes the equipment needed. Assistant Mayor Splaine, Councilors Shaheen, Lown, Dwyer, Morgan, Spear and Thorsen voted in favor. Councilor Kennedy and Mayor Lister voted opposed.

On a unanimous roll call 9-0, voted to pass main motion as amended.
XIV. MISCELLANEOUS/UNFINISHED BUSINESS

XV. ADJOURNMENT

At 10:15 p.m., Councilor Spear moved to adjourn. Seconded by Councilor Lown and voted.

Kelli L. Barnaby, CMC/CNHMC
City Clerk
January 6, 2015

Dear Mayor Lister/City Council,

Plans for the 18th Annual Runner’s Alley/Redhook Brewery Memorial 5k are beginning to take shape and once again we look for your approval to hold the race. This year’s race is scheduled for May 24, 2015 at 11:00AM. All the logistics remain the same with the start and finish continuing to be at the Redhook Brewery. One hundred percent of the proceeds from the race will be donated to The Krempels Center, based out of the Community Campus here in Portsmouth. If you are not familiar with The Krempels Center, I urge you to visit their website for a truly moving picture of what they are all about (www.krempelscenter.org).

We look forward to your support once more, with over 2000 runners last year as well as thousands of supporters and volunteers, we’re very excited for an even better year! Voted as one of New England’s top 100 races by New England Runner Magazine this race attracts runners and visitors from all over New England making it a wonderful asset to the entire Portsmouth community. Please consider granting us your permission to conduct another successful event, while raising seriously needed funds for an incredibly inspiring nonprofit organization, The Krempels Center. The Runner’s Alley/Redhook Race has always given 100% of its proceeds to charity and will continue to do so. As always we will work closely with the police department and the PDA to ensure we are abiding by all necessary rules and regulations.

Thank you for your time and consideration, wishing you and the City of Portsmouth all the very best in 2015!

Happy New Year,

John Bohenko, Portsmouth City Manager
Portsmouth City Council
1 Junkins Ave.
Portsmouth, NH 03801

Dear Mr. Bohenko and Portsmouth City Council:

The purpose of this letter is to seek permission from the Portsmouth City Council to conduct our 19th Annual Seacoast AIDS Walk and Dog Walk on Sunday, May 3, 2015 from 10:00 AM to 5:00 PM. The walk will begin at 2PM and end around 5PM in the lower parking lot at the Portsmouth Municipal Complex. Approximately 200 persons will be in attendance. In addition, we would like permission to place 5 temporary '2' by '4' a-frame signs to mark the route. The route will be the same as last year – a map has been attached for your review.

AIDS Response Seacoast greatly appreciates the City of Portsmouth's support in past years. The Annual Seacoast AIDS Walk has become an increasingly popular and successful event for ARS and we rely upon it to increase awareness about HIV/AIDS and our mission in the Seacoast communities we serve.

If you have any questions please do not hesitate to contact me. Thank you for your consideration.

Sincerely,

Richard B. Wagner

RE: Proposed Borthwick Avenue Switchgear Yard with Associated Improvements

Dear Mayor Lister,

On October 22, 2014, representatives of Public Service Company of New Hampshire ("PSNH") met with several public officials to discuss a reliability project to benefit the City of Portsmouth. Along with this project, there is a switchgear yard with associated improvements on the easement area which PSNH holds over City Property, identified as City of Portsmouth Tax Map 0234, Block 0007, Lot 0003, and located on Borthwick Avenue.

At that time, PSNH requested whether the existing easement rights would allow the proposed construction.

A follow-up letter by City Attorney Robert Sullivan on November 13, 2014 clarified that the proposed construction would be in excess of the existing rights afforded by PSNH to construct the aforementioned switchgear site.

Therefore, PSNH is requesting that the additional rights of the switchgear yard: 10,000 square foot site, associated fencing, retaining wall be considered for approval by the City. Further, PSNH is requesting a driveway access of a 12 foot width to the switchgear site over the same land owned by the City in order to access and maintain the site.

The "EASEMENT CLARIFICATION PLAN FOR PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE and THE CITY OF PORTSMOUTH", dated December 17, 2014, is included with this letter. I have also included a copy of the "Agreement Clarifying and Supplementing Existing Easement and Granting Additional Easement" document for your review.

Additionally, PSNH is requesting the City to review, to approve and to authorize transmission line project commencement along with beginning construction of the switchgear site. Commencement of the project is proposed to commence on February 01, 2015. The project has undergone Planning Board approval in December, Technical Advisory Committee, and Site Plan review has been approved. The Easement rights for the switchgear site and driveway access are the items which remain up for approval by the City. It is our understanding that the approval of the switchgear site is the remaining item for approval by the City in order to commence the project.
PSNH is prepared to present at the City Council meeting on January 20 with appropriate documentation in hand. It is our understanding from the letter from Attorney Sullivan and subsequent conversation that upon receipt of this letter our request for switchgear site improvements and driveway easement on City Parcel # 0234-0007-0003 will be placed on a City Council Agenda for review, approval and execution by the City Manager.

Please do not hesitate to contact me should you need further clarification or submission of supporting documentation.

Sincerely,

Adam Diorio  
Project Manager, PSNH

AGREEMENT CLARIFYING AND SUPPLEMENTING
EXISTING EASEMENT AND GRANTING ADDITIONAL EASEMENT

This AGREEMENT CLARIFYING AND SUPPLEMENTING EXISTING EASEMENT AND GRANTING ADDITIONAL EASEMENT (this “Agreement”) made as of the _____ day of January, 2015, by and between The City of Portsmouth, a municipal corporation having a place of business at 1 Junkins Avenue, Portsmouth, New Hampshire (hereinafter the “City”), and Public Service Company City of New Hampshire, a New Hampshire corporation, of 780 North Commercial Street, Manchester, New Hampshire (mailing address: P.O. Box 330, Manchester, NH 03105-0330) (hereinafter “PSNH”).

WHEREAS, the City is the owner of a certain parcel of land on the westerly side of Borthwick Avenue, in the City of Portsmouth, County of Rockingham and State of New Hampshire, identified as City of Portsmouth Tax Map 0234, Block 0007, Lot 0003, conveyed to the City by deed of Ronald M. Druker and David C. Bell, as Trustees of Portsmouth Park Trust, dated December 12, 2003, recorded at the Rockingham County Registry of Deeds in Book 4211, Page 1155, and shown as Lot #3 on a plan entitled “Lot Line Relocation Plan for Portsmouth Park Trust and Hospital Corporation of America, Borthwick Ave. Extension, County of Rockingham, Portsmouth, N.H.” dated June 14, 1985, last revised July 15, 1986, prepared by Richard P. Millette and Associates, recorded at said Rockingham Registry as Plan D-15924 (the “City Property”);

WHEREAS, PSNH owns a permanent easement of a total width of 400 feet encumbering a portion of the City Property, conveyed to PSNH by deed of the United States of America, dated March 15, 1955, recorded at said Rockingham Registry in Book 1350, Page 186, and by Emendation to Commissioners’ Return of Highway Layout dated September 20, 1968, recorded at said Rockingham Registry in Book 1931, Page 251 (the “PSNH Easement”), in which PSNH has installed and constructed, and currently operates and maintains, one or more overhead high-voltage electric power transmission and distribution lines;

WHEREAS, the PSNH Easement expressly grants to PSNH and includes the rights “for the location, construction, operation, maintenance, and patrol of electric power transmission lines
with all fittings and appliances thereto in, on, over and across” the parcels of land described in said PSNH Easement, inclusive of the City Property (underline emphasis added);

WHEREAS, PSNH plans to construct and maintain with the PSNH Easement on the City Property, and on a certain portion of the City Property adjacent to the PSNH Easement, a substation for a switchyard with switchgear and associated equipment and improvements to be connected to its overhead lines, together with an access driveway for ingress and egress to and from said substation and Borthwick Avenue (the “Switchyard Site”); and,

WHEREAS, the City and PSNH desire hereby to (a) confirm their mutual agreement and understanding that the Switchyard Site is a permissible use of the PSNH Easement under the express provisions thereof regarding the rights for “fittings and appliances”, and for purposes of clarification and the elimination of any doubt, to supplement the PSNH Easement to include such use, and (b) provide for the grant by the City to PSNH of an additional easement on, over and across the City Property for the access driveway associated with the Switchyard Site to be constructed and maintained by PSNH outside of the PSNH Easement.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the City and PSNH agree as follows:

1. Subject to PSNH’s separate obligations to obtain, at PSNH’s sole cost and expense, any and all necessary or required governmental permits, license and approvals for the construction, maintenance and operation of the Switchyard Site, it is agreed that the Switchyard Site is a permissible use under and within the PSNH Easement on the City Property.

2. The PSNH Easement is hereby deemed supplemented and is confirmed to include the permanent grant of the rights to construct, install, inspect, operate, maintain, repair, rebuild and remove the Switchyard Site within the PSNH Easement on the City Property, which may consist of and include a 100 foot by 100 foot (10,000 square feet) gravel switchyard pad area with a retaining wall, enclosed by a chain link fence and fence gate, equipment and structure foundations, switchgear facilities and equipment, all wires, conduit, conductors and other related or associated structures and equipment, a 12 foot wide gravel driveway and access gate, together with the necessary excavation, grading and slope and drainage facilities in connection with the construction and installation thereof, all as shown on certain site plans entitled “Public Service of New Hampshire Mill Pond Switch Yard and L117 Transmission Line Portsmouth, New Hampshire Site Plans”, dated September 26, 2014, last revised November 11, 2014, prepared by Tighe & Bond Consulting Engineers, and approved by the City Planning Board on November 20, 2014 (the “Site Plans”), which Site Plans are incorporated by reference herein but not recorded herewith.

3. The City hereby additionally grants to PSNH, and its successors and assigns, the permanent right and easement, on, over and across the City Property, to install, construct, operate, inspect, maintain, repair, rebuild, and remove or relocate, as necessary, a 12 foot wide gravel driveway, together with the necessary excavation, grading and slope and drainage facilities in connection with the construction and installation thereof, for use by personnel, vehicles and equipment for travel and ingress and egress to and from the Switchyard Site and
Borthwick Avenue, all as shown on the Site Plans, in the location off of the westerly sideline of Borthwick Avenue designated as the “Additional Easement Area 184 Sq. Ft.” shown on an easement plan entitled “Easement Clarification Plan for Public Service Company of NH and The City of Portsmouth, Borthwick Avenue (Tax Map 234 Lot 7-3) Portsmouth, New Hampshire” dated December 17, 2014, last revised January 13, 2015, prepared by Doucet Survey, Inc., and recorded or to be recorded herewith in the Rockingham County Registry of Deeds.

4. The execution and delivery of this Agreement by the City, by its undersigned City Manager, has been duly authorized by vote of the City Council at a meeting of said Council duly noticed and held on January 20, 2015.

EXECUTED by the undersigned parties the day and year first above written.

RE: Proposed Borthwick Avenue Switchgear Yard with Associated Improvements

Dear Ms. Schneider,

This follows our meeting of October 22, 2014 concerning the captioned. After staff analysis of the PSNH proposal to construct a Switchgear Yard with Associated improvements on the easement area which PSNH holds over City property near Borthwick Avenue it has been determined that the proposed construction would be in excess of the existing rights afforded to PSNH to construct and maintain electric power transmission lines. Therefore, it will be necessary for authority to be provided by the Portsmouth City Council to allow the specific construction and operation sought by PSNH.

My suggestion is that a letter be written addressed to Mayor Robert Lister and the Portsmouth City Council which contains a description of the construction and operation proposed by PSNH, including whatever plans, diagrams and photographs PSNH feels would best explain the request to the City Council.

Upon receipt of such a letter it will be placed on a City Council agenda and if approved, the City Manager will execute whatever documentation is needed to satisfy the PSNH request.

Sincerely,

Robert P. Sullivan
City Attorney

For distribution to Portsmouth’s City Council Members,

We, the Citywide Neighborhood Steering Committee, are writing to appeal to the city to add a mechanism to the Capital Improvement Plan (CIP) to regularly measure the geographic distribution of projects and expenditures throughout the city.

Capital Improvement projects address important needs for our city and its citizens, and the investments in these projects provide financial and property-value benefits to those who live where the investment dollars are spent. A distribution metric would help ensure balance in how all taxpayers can share in the return on the capital investments of their tax dollars.

We recognize that the CIP process is complicated and must consider many factors. There are many capital expenditures that can be driven by infrastructural need or that may provide benefit for all citizens regardless of neighborhood; and there are myriad funding sources that impact what can be accomplished. But with limited funds and a large list of worthy projects that are specific to certain neighborhoods or geographic areas, it is important to include a view as to equity across all taxpayers when deciding CIP priorities.

Specifically, we would like to see a historical review of expenditures and projects geographically, and then to have this measurement tool updated on a rolling basis with each CIP. We encourage the Planning Board, City Manager and City Council to use geographic metrics as a part of the process that informs decisions on CIP priorities to help maintain fairness, both short- and long-term.

We hope that you can make it a priority to put a metric in place as soon as possible and provide yourselves with valuable added perspective in deciding the priorities for the FY2016 – FY2021 Capital Improvement Plan. Providing such a tool would help give greater clarity to citizens and neighborhoods into what can be a confusing and ambiguous process.

Respectfully yours,

The Citywide Neighborhood Steering Committee
Cristy Cardoso, Kathy Bergeron, Cliff Lazenby and Paul Mannle

Re: City Manager’s Comments on January 20, 2015 City Council Agenda

Presentation:

1. **Wastewater Treatment Facility Update.** On Tuesday evening, City Staff will present to the City Council a report back regarding Phase 1 of the Pease Wastewater Treatment Option as authorized by Council during their October 20, 2014 meeting. In particular, the presentation will also include a progress update on the Peirce Island Wastewater Treatment Facility’s current status of design, an updated site plan, review of the cost estimates and next steps. Topics for the Pease Wastewater Treatment Options Evaluation update will include a review of the proposed site plans for City wide and regional (with Exeter and Stratham) wastewater treatment at the existing Pease Wastewater Treatment Facility site and the status of discussions with the Pease Development Authority staff related to these site plans. The Council will be asked for input on whether to continue the evaluation to develop a life cycle cost for the proposed layouts.

In addition, the Deputy City Attorney will provide an update on the legal action to challenge the EPA’s interpretation of the bypass rule and recommended continued participation.

*I recommend the City Council move to authorize the City Manager to proceed with next phase of the Pease Wastewater Treatment Alternative Assessment and continue participation in the legal challenge to the EPA’s interpretation of the bypass rule.*

City Manager’s Items Which Require Action:

1. **Request for First Reading Re: Elderly and Disabled Exemptions.** Annually, the City of Portsmouth reviews income and asset levels for both the Elderly and Disabled Exemptions pursuant to RSA 72:39-b and RSA 72.37-b and makes recommendations as to these levels.

Last year, the City Council adopted Resolutions #1-2014 and #2-2014 which increased the income and asset levels for both the elderly and disabled exemptions by the Social Security
cost of living adjusting for 2014 of 1.5% from the previous year. The current elderly and disabled exemption income levels are $35,704 for a single taxpayer, $44,044 for married taxpayers, and an asset limit of $119,016.

If qualified, for elderly taxpayers, the exemption off the assessed value of the property is as follows:

- Age 65 to 74    $125,000
- Age 75-79      $175,000
- Age 80 +       $225,000

If qualified, for disabled taxpayers, the exemption off the assessed value of the property is $100,000.

This year the November to November CPI of the Boston-Brockton-Nashua November consumer price index (CPI) and Social Security SSI benefit payments payable in January 2015, are both the same with a 1.7% increase.

Option A:

If the City Council wishes to adjust the income and asset levels for both the elderly and disabled taxpayers by the November to November CPI or by the Social Security increase of 1.7%, this would increase the limits (rounded up) as follows:

- Single         $36,311 increase of $607
- Married        $44,793 increase of $749
- Asset Limit    $121,039 increase of $2,023

Option B:

If no increase, the income and asset limits would remain at their levels current as follows:

- Single         $35,704
- Married        $44,044
- Asset Limit    $119,016

Any adjustment if approved would be for assessments as of April 1, 2015 for the 2015 tax year or FY16.

The Assessor’s Office mails a notification annually to all elderly and disabled persons who currently receive this exemption to update their applications. All new applicants must submit an application and required documentation by April 15th of each year.

If the City Council wishes to make any adjustments in these exemptions, it would require an amendment to these Resolutions as well as first reading, a public hearing and a majority vote of the City Council. If no adjustment, income and asset limits would remain at their
current levels. I have attached for your information the tax impact of the elderly and disabled exemptions for FY15.

The City Council may choose from Option A or B and authorize the City Manager to bring it back for first reading.

*I would recommend the City Council move to authorize the City Manager to proceed with Options A or B. If Option A is chosen, then I would recommend the City Council move to authorize the City Manager to bring it back for first reading at the February 2nd City Council meeting, as presented. (This requires two readings and a public hearing with a majority vote.)*

2. **License Request Re: 61 Washington Street.** Bedard Preservation and Restoration LLC is currently working on a project for Strawbery Banke at 61 Washington Street. Bedard applied for and was granted a sidewalk encumbrance to erect staging at that location. See attached picture of the location. Bedard would like to extend the encumbrance until Feb 27, 2015 and that requires a license.

Mr. Bedard reports that the project is very complicated and detailed due to the nature of the museum quality work. His work has to follow the Secretary of the Interior Guidelines for Preservation and Restoration and is taking additional time to complete. The work includes sill replacement/repair, sheathing replacement as needed, replacing the existing window sills and trim with exact replications of the original trim, new window caps, new front door surround based upon the historic fragments found, new window sash with old glass, new feathered clapboards and lots more.

Staff has no objection to the granting of a license provided that it includes terms and conditions similar to those already contained in the encumbrance permit which includes protection of pedestrians, cleanup of debris, and related conditions.

*I recommend the City Council move to authorize the City Manager to negotiate and enter into a license with Bedard Preservation and Restoration LLC to facilitate construction activities at 61 Washington Street.*

3. **Request to Establish Work Session Re: Proposed Parking Garage at 165 Deer Street.**

   **February 5, 2015 at 6:30 p.m.** I am requesting that the City Council establish a Work Session on Thursday, February 5, 2015 at 6:30 p.m., in the Eileen Dondero Foley Council Chambers, to receive a presentation and discuss a proposed second parking garage at 165 Deer Street. I am also requesting that the Economic Development Commission be in attendance at this work session.

   *I recommend the City Council move to establish a Work Session on Thursday, February 5, 2015 at 6:30 p.m., in the Eileen Dondero Council Chambers, as presented.*
4. **Citywide Sidewalk Policy Review.** On Tuesday evening, City staff will present to the City Council revisions to the City Council Policy 2010-02 (adopted May 2010) regarding brick sidewalks. The policy stipulates the limits of sidewalk materials types (brick and concrete) within the Historic District. The policy also states that sidewalks outside the Historic District shall be constructed of concrete.

Since implementation of the policy, there have been requests for alternative sidewalk materials besides brick and concrete, continuous concrete sidewalks through driveway aprons, and other requests for variances to the policy. In addition, there has arisen a need to identify a standard driveway apron material in the right-of-way.

At the request of the City Manager, City staff has modified the original policy to clarify these topics. **Attached is a redline copy of the revised language.** The Council will be asked to review and adopt the proposed policy.

*I recommend the City Council move to adopt the revisions as shown to the City Council Policy 2010-02 Regarding Sidewalks and Driveway Aprons.*

5. **Proposed Early Retirement Re: Police Department.** Attached is a memorandum from Police Chief Stephen DuBois regarding a request for an early retirement incentive for the Police Department for FY 2015.

*I recommend the City Council move to approve a proposed early retirement incentive for the Police Department for FY 2015, as presented.*

6. **Budget Schedule Revision.** At the request of Mayor Lister, we are asking to reschedule the May 2, 2015 Saturday City Council Budget Work Session to Saturday, May 9, 2015. If approved, see attached revised Budget Schedule.

*I recommend the City Council move to reschedule the City Council Budget Work Session to Saturday, May 9, 2015, as presented.*

**Informational Items:**

1. **Events Listing.** For your information, attached is a copy of the Events Listing updated after the last City Council meeting on January 5, 2015. In addition, this can be found on the City’s website.

2. **Withdrawal of Heavy Rescue Fire Truck Bonding Request.** Attached is a memorandum from Richard Gamester, Chairman of the Fire Commission withdrawing the heavy rescue fire truck bonding request for this fiscal year.

3. **2013 Partial Valuation Update – Condominiums.** For your information, attached is a letter from State of New Hampshire Department of Revenue Administration regarding a 2013 partial valuation update regarding condominiums.
4. **Reminder of Work Session Re: CIP on January 26, 2015 at 6:30 p.m.** Just a reminder that the Work Session regarding the Capital Improvement Plan is on Monday, January 26, 2015 at 6:30 p.m., in the Eileen Dondero Foley Council Chambers.

5. **Conflict of Interest Mandatory Disclosure.** As you are aware, the City Council adopted the Conflict of Interest Mandatory Disclosure Ordinance at the December 22, 2014 City Council meeting. The adoption of this Ordinance calls for the creation of a Financial Disclosure Statement to be produced by the City Clerk’s Office for approval by the City Council. For your information, attached is a copy of the Conflict of Interest/Mandatory Financial Disclosure Ordinance and a copy of a Financial Disclosure Statement. I recommend that the City Council act on the Financial Disclosure Statement at the February 2, 2015 City Council meeting.

POLICY REGARDING BRICK SIDEWALKS AND DRIVEWAY APRONS

WHEREAS, there are aesthetic and cost concerns regarding any municipal decision to construct, repair or replace sidewalks using either brick or concrete; and

WHEREAS, the determination of the materials to be used in sidewalk construction repair and replacement must be made early in the design and engineering process in order to accommodate the City’s bidding and contractual policies; and

WHEREAS, a request for a variance from this sidewalk policy regarding standard materials and typical sidewalk and driveway details (Exhibit B) will be made to the Director of Public Works; and

WHEREAS, there may be additional costs for variances from this policy that will be paid by the benefiting parties.

NOW THEREFORE, the City Council adopts the following policy:

A. Whenever sidewalks are constructed, repaired or replaced in the City the following shall apply:

1. Sidewalks within the Historic District will be brick, with the exception of the following streets which will be concrete:
   a. Islington Street,
   b. New Castle Avenue east of Marcy Street,
   c. Middle Street and Lafayette Road south of Aldrich Road; and
   d. All streets west of the easterly shore of the North Mill Pond, with the exception of Nobles Island.

(All as shown on Exhibit A attached hereto.)

2. Sidewalk material for sidewalks located outside the Historic District which have historically been brick will be determined by vote of the City Council.

3. Where a sidewalk is located both within the Historic District and outside of the Historic District, the relative portion of the sidewalk that is greater in length shall determine whether the sidewalk shall be brick or concrete.

4. All other sidewalks will be concrete.

5. Driveway aprons in the City shall be continuous bituminous asphalt from the edge of road to property line. Sidewalks, if any, shall terminate on
either side of driveway apron. Driveway material deviating from asphalt will be determined by vote of the City Council.

This policy shall take effect upon the passage by the City Council.

Adopted by the Portsmouth City Council on ______________.
Ratified by the Portsmouth City Council on ______________.

RE: REQUEST TEMPORARY RETIREMENT INCENTIVE FOR FY ‘15

Along the lines of what the school department has done in years past, the Portsmouth Police Commission is recommending a temporary retirement incentive benefit for Fiscal Year 2015, for sworn officers who are New Hampshire Retirement System members currently eligible to retire. This benefit would be as follows:

“Sworn officers who have/will have twenty (20) or more years of service with the Portsmouth Police Department by June 30th, 2015, and who file an irrevocable commitment to retire, and who actually retire under the NHRS at the end of Fiscal Year 2015 (June 30th, 2015), will receive a one-time payment of $15,000 under the terms of this offer. This offer must be accepted or declined and submitted to management on or before February 11th, 2015.”

Currently 6 employees meet these criteria.

It is requested that the incentive come from leave at term and it will be applied to the base salary of any employee choosing to partake. On average, the savings for FY16 would be ~$23,000, FY17 ~$20,000 and FY18 ~$16,000 per employee.

These savings are the result of the retirement of an employee who is situated at a higher step in their position due to their tenure and the subsequent replacement of that employee at a lower step to include associated overtime expenses.

Re: Withdrawal of Heavy Rescue Fire Truck Bonding Request

After careful review, the Fire Commission is withdrawing the current request for the bonding of the FY15 CIP Heavy Rescue Fire Truck project. We still believe the replacement of the department’s 1986 Chevrolet C-70 Rescue Fire Truck needs to be accomplished as soon as possible. However, without City Council support and the fact that a number of non-related issues appeared to be involved, we have determined it is in the best interest of the department and city to delay our request to a later date.

It is unfortunate that the bonding request process for this project has resulted in this decision. We cannot remember any time in the past 15 years that an identified CIP vehicle project recognized and approved by the City Council failed to be supported or funded not once, but twice.

We hope that at a future date and presented with more information, the City Council will see the true value of this project as related to the department’s service delivery model.

RE: 2013 Partial Update – Condominiums

Dear Members of the City Council,

The Department of Revenue Administration, pursuant to RSA 21-J:11, is charged with the responsibility of monitoring statistical updates and supporting municipalities with revaluation and general assessing contract negotiations and compliance. We have reviewed the following list of tasks that the Portsmouth Assessing Department undertook in conducting the 2013 statistical update of the single family condominiums within the city. The results of the statistical update were compared with standards set forth by the International Association of Assessing Officers (IAAO) for real property revaluations. Also, the Department has checked all the items below for compliance with applicable State Statutes, Revenue 600 Rules and Assessment Standards Board’s (ASB) standards. The following is my final report as it relates to the 2013 partial valuation update.

This final report is not intended to render an opinion on any individual assessment. Rather, it is meant to give an overall review of the general assessment procedures utilized by the Portsmouth Assessing Department and compare the end result with the typical measures of central tendency, dispersion and uniformity recommended by the IAAO to test the result of the revaluation. Those properties having individual assessment issues are best remedied by the abatement process at the local level and with the Board of Tax and Land Appeal or the New Hampshire Superior Court at the state and county level.

PHASE 1 includes the following: Request for Proposal (RFP) compared to contract, initial meeting with the City, and the DRA, public relations plan, tax maps, list of DRA certified employees, adequate insurance, and adequate bonding.
Rosann Maurice-Lentz, Joseph White and Aaron Doe have worked in the Portsmouth’s assessing department for a number of years. All are qualified by the Department of Revenue to perform their specific assessing functions in a competent and professional manner. As such, no RFP, bonding or assessing contract was deemed necessary in conducting the 2013 partial valuation update of Portsmouth’s Condominiums. Public notifications and tax maps are available on the internet via the City of Portsmouth’s web site.

**PHASE 2** includes: data-collection, quality control procedures and call back compliance.

Data collection and call back arrangements are ongoing as Portsmouth’s assessing department updates property records on a cyclical basis. This statistical update was conducted by employing statistical measures intended to bring the condominium strata in line with the Portsmouth’s current level of assessment. The Department monitored 12 sales utilized in the analysis and found the listing information to be reasonably accurate. The results of the review were reported to the city on October 30, 2013.

**PHASE 3** includes: valuation analysis, neighborhood delineation, valuation notice, informal hearings, and final valuation adjustments.

The 2013 valuation analysis can be found in the Uniform Standards of Professional Appraisal Practices (USPAP) supplemental report submitted to the Portsmouth City Council was well as the DRA on January 29, 2014. The addendum report was reviewed by the Department and found to be compliant.

All of the base tables for land valuation, cost and depreciation can be found in the original USPAP report submitted by Ms. Maurice-Lentz to the Department on January 3, 2011.

Taxpayer hearings are conducted on an ongoing basis and can be arranged by calling the Portsmouth assessing department. Taxpayers may review their property record cards and discuss their property value whenever it is deemed necessary.

**PHASE 4** includes: USPAP report, sales book, sales ratio studies and timeline adherence.

As a means of testing the statistics surrounding the 2013 partial revaluation, the DRA developed a sales ratio study for the 2013 tax year. This study is a tool used to gauge the results of a revaluation. Typically and in accordance with the International Association of Assessing Officials (IAAO) the median ratio, coefficient of dispersion (COD) and price related differential (PRD) are developed. In arriving at a full and true comparison, the DRA ratio study is utilized in order to test the results of the recent update of Portsmouth’s assessed values. The DRA ratio study is the preferred method of comparison because it typically utilizes the same time period from year to year. The DRA time period extends from October 1, through September 30 of every year.

The IAAO recommends the use of the median ratio, which is the midpoint or middle ratio when the sale ratios are arrayed in order of magnitude. The overall level of assessment for all parcels in the City should be within 10 percent of market value (100%) that is, between 90% and 110%. Portsmouth’s 2012 median “Any & All” ratio calculated by the DRA prior to the revaluation was 97.38 and the final “Any & All” ratio after the revaluation is 94.47%. The median residential condominium strata ratio in 2012 was 97.24. In 2013 the median residential condominium ratio was calculated to be 94.42%.
ORDINANCE #
THE CITY OF PORTSMOUTH ORDAINS

That Chapter 1, Article IX, Section 1.901: - CONFLICT OF INTEREST of the ADMINISTRATIVE CODE of the Ordinances of the City of Portsmouth be amended to read as follows:

ARTICLE IX CONFLICT OF INTEREST/ MANDATORY FINANCIAL DISCLOSURE

Section 1.901: MUNICIPAL OFFICIAL DISCLOSURES

A. Preliminary: This ordinance is adopted by the City of Portsmouth in compliance with the mandate contained in the Charter Amendment entitled "CONFLICT OF INTEREST" which was adopted by referendum vote of the City of Portsmouth on November 3, 1987. This ordinance may be referred to as the Mandatory Disclosure Ordinance.

B. Definition: For purposes of this Article only, the following terms shall be defined in the following manner:

Municipal Official: For the purpose of mandatory financial disclosure, the term "Municipal Official" shall be defined to include members of the City Council, School Board, Police Commission, and Fire Commission.

Income: The term "income" shall be defined as a gain of recurrent benefit usually measured in money that derives from capital, labor, or investment.

Capital Assets: The term "capital assets" shall be defined to include all corporate stocks or bonds or any other business interest directly attributable to any business entity which maintains a business location in the City of Portsmouth, owns property in the City of Portsmouth, transacts substantial business in the City of Portsmouth, or transacts business with the City of Portsmouth. The term "capital assets" shall also be defined to include all real estate holdings and interest in real estate located in the City of Portsmouth.

Financial Disclosure Statement: The term "financial disclosure statement" shall mean a written statement, given under oath:

A. Listing an individual's primary source of annual income and capital assets. However, in no instance shall disclosure be mandated of any capital asset whose value at the time of disclosure is below Ten Thousand ($10,000) dollars nor shall the value of any source of income or the value of any capital asset be required for disclosure.
B. Listing any sources of income, whether or not connected with the City of Portsmouth which produce income in an amount greater than $10,000 calculated annually on a per calendar year basis.

C. **Obligation of All Municipal Officials:** All municipal officials will maintain an updated financial disclosure statement in the Office of the City Clerk. The Financial Disclosure Statement shall be updated annually as of June 30th. Forms shall be based on the form used by the State to implement RSA 15-A (attached) prepared by the City Clerk for approval by the City Council and made available to all municipal officials for this purpose.

D. **Determining Violations:** For violation and enforcement purposes, complaints alleging violation of the mandatory disclosure ordinances shall be administered in accordance with the process under the Municipal code of Ethics, Reference Chapter I, Article VIII.

E. **Public Records:** Financial Disclosure Statements shall be public records.

(Finalized 6/4/2007)

F. **Return of Records:** Financial Disclosure Statements shall be returned to the public official six (6) months after leaving office.

(Adopted In Its Entirety 3/21/88, Amended 3/28/88)

G. **Penalties:** Any violation of this article shall be subject to the penalties prescribed for violation of the City Code of Ethics, Sec. 1.801 et seq.

**Section 1.902: ELECTION CANDIDATE FINANCIAL DISCLOSURE**

A. **Required Disclosure:** Any candidate running for City Council, School Board, Police or Fire Commissions receiving a monetary contribution from any one person or entity in the amount of a cumulative total of $100.00 or more in any calendar year must report the name of the individual, address, amount, and date of contribution. The report must be filed, or updated as appropriate, with the Office of the City Clerk seven (7) days prior to any election at which that person is a candidate for any of the foregoing offices. Any contributions which would otherwise require reporting under this ordinance received within the seven days prior to the election must be submitted in a final report to the Office of the City Clerk no later than two weeks following the election.

B. **Violations:** For violation and enforcement purposes, complaints alleging violation of the mandatory disclosure ordinance shall be administered in accordance with the process and penalties available under the Municipal Code of Ethics, Reference Chapter 1, Article VIII.

C. **Public Records:** All election candidate financial disclosures shall be public records.
The City Clerk shall properly alphabetize and/or re-number the ordinance as necessary in accordance with this amendment.

All ordinances or parts of ordinances inconsistent herewith are hereby deleted.

This ordinance shall take effect upon passage with respect to the City Council and the School Board. It will take effect with respect to Police and Fire Commission as of January 1, 2016.

PROFESSIONAL EXPERIENCE

As Director of Environment, Health and Safety (EHS), I am responsible for governance, oversight, and performance for all EHS related matters. Reporting directly to the executive team, the following is a brief summary of typical responsibilities:

- **EHS Committee** – I am responsible for leading EHS Managers to ensure EHS related strategies, policies, and objectives are implemented effectively and consistently throughout the company. I am also responsible to ensure compliance with all EHS requirements, managing EHS audits, and benchmarking performance.

- **Environmental Performance** – Ensuring the company remains an environmental leader within the industry through the development of strategies and targets that create competitive advantages while minimizing the impact of operations on the surrounding environment.

- **Safety Performance** – Developing and implementing safety culture enhancing programs across the organization to ensure regulatory compliance, increase safety awareness and reduce recordable injury frequency.

- **Incident Management** – Developing and implementing a fully integrated system across the business units to report, track, investigate, and analyze incidents and near misses. Incidents are investigated using a root cause analysis tool with automatic notifications to senior management.

- **Emergency Response** – Responsible for the development and management of all emergency response and crisis management plans, procedures, and training.

- **Reporting** – Responsible for developing and presenting all monthly, quarterly and annual EHS reports to the Executive Team.

- **Government Relations** – Developing and maintaining strong relations with all levels of government and public agencies seeking consultation on proposed and existing regulatory requirements.

- **Remediation** – Responsible for managing the remediation and reclamation of all land and water bodies adversely impacted by operations.

- **Acquisitions and Divestitures** – Responsible for environmental and safety assessments for all acquisitions and divestitures of company assets to ensure acceptable risk tolerances are achieved.

- **Audit** – Responsible for the management of an EHS audit program to ensure compliance and operational excellence.

- **Corporate Social Responsibility (CSR)** – Working with a cross-functional team of business and corporate managers to develop key performance indicators to enhance sustainable work practices and objectives.

Resolution For Clean Government

"Imagine a country with true Democracy, a citizen-owned election." - Doris "Granny D." Haddock

I am jointly proposing with Councilor Brad Lown a Resolution supporting a New Hampshire Clean Government Convention that will be held later this year. It will be a very inclusive "citizens' convention" where all those who wish to participate may do so, including Presidential candidates.

The purpose of the Convention is to focus attention during the New Hampshire First-In-The-Nation Presidential Primary season on the need to find ways to clean up our election process.

This Resolution was generated from a request, and follow-up meetings with, Stephen Erickson, who is working with a diverse group of statewide volunteers to create the New Hampshire Clean Government Convention that will be non-partisan and will involve people and organizations of broad political philosophies.

The important aspects of the Resolution are:

1. To work toward a Clean Government Constitutional Amendment that would turn back the "Citizens United" Supreme Court decision of five years ago, which has resulted in tremendous amounts of often non-disclosed money into national, state, and sometimes local elections.

2. To support consideration of term limits for Congress, in an effort to promote more citizen government.

3. To discourage acceptance of campaign contributions from the same interests which are regulated by, or which substantially benefit from, decisions made by elected politicians.

4. To promote fair elections which level the field for new candidates and incumbent politicians.

5. To have oversight enforcement that is independent of the elected branches of the federal government, to ensure greater honesty and credibility in the way our election laws and regulations are applied, and campaign finance laws are written.

===================================
Fact is, problems clearly exist in our election system, and those problems need to be solved for American democracy to continue to thrive. People across the span of politics -- be they "left" or "right," "liberal" or "conservative," "Democratic," or "Republican" or "Independent" or carrying other labels -- know that problems exist. The power of money. The influence of special interests. A political divide that makes it difficult to achieve consensus.

The goal of the New Hampshire Clean Government Convention is to attempt to bring people of differing political beliefs together to determine a path toward solving some of those problems. People from every town and city in New Hampshire can be involved, regardless of their politics. That is a goal worthwhile for our future.

Over 15 years ago, Doris "Granny D." Haddock walked across this country in support of campaign finance reform. She also walked much of New Hampshire in her effort to have the Legislature adopt new campaign finance reform.

I was pleased to get to know her very well, and I sponsored three "Granny D." bills in the New Hampshire House from 2002 to 2010. Unfortunately, the same influences and pressures at work in Washington to prevent real reform are at play in Concord, and we were not fully successful, although we did see some changes on disclosure requirements.

Right now, a march by the Coalition For Open Democracy advocates is underway in our state, and more marches are planned. Our First-In-The-Nation Presidential Primary gives us an excellent opportunity to bring this cause to those who are running for the highest office in our land.

The idea of the New Hampshire Clean Government Convention is to bring focus on these issues to those candidates, and to the national media which will cover the events of the next 12 months.

I think each of us realize the value and importance of reform in the way people are elected by reducing the influence and power of special interests and the role of money. I hope we can support this Resolution and this important cause.

"One step in front of the next can get you anywhere!" - "Granny D.," as she autographed my copy of her book, "Walking Across America in My 90th Year."

Thank You,

Jim Splaine
City Councilor
Resolution Submitted by Jim Splaine & Brad Lown:

The Portsmouth Resolution
In Support Of The
N.H. Clean Government Convention to be
Held during the
2015-2016
Presidential Primary

Whereas:

The government in Washington is not working and the political system is in crisis.

The problems in our federal government are not necessarily due to the shortcomings of one political party or another, but are systemic in nature.

It is an inherent conflict of interest that Members of Congress and the President are permitted to accept campaign money or otherwise benefit from the same interests they regulate.

Politicians are too often motivated by incentives that favor re-election and political power rather than the broad and long-term good of the nation.

Incumbents and the very wealthy have unfair advantages when running for federal offices.

The American people are losing faith in government and the political process that supports it.

Resolved:

That citizens of all political persuasions should put aside their differences to address the underlying systemic corruption that has debilitated the government of the United States.

That we should work together for commonsense legislative solutions that will help address the failings of our political system. Such reforms might possibly include a prohibition against government contractors making campaign contributions, a ban on fundraising while congress is in session, and / or the outlawing of campaign donations from lobbyists.
That we should work together for a Clean Government Amendment to the U.S. Constitution that would have as its goals:

1. A clean campaign finance system for the United States in which elected federal officials can no longer take campaign contributions from the same interests they regulate or significantly benefit from "independent" expenditures made on their behalf.

2. Congressional term limits to promote citizen government and discourage political careerism.

3. Fair elections, without special advantages for incumbent politicians, particular political parties or the very wealthy. Gerrymandering should be banned.

4. An enforcement mechanism independent of the elected branches of the federal government.

That, toward these ends, we support, and urge our fellow citizens to attend The New Hampshire Clean Government Convention, to be held during the presidential primary season in 2015/2016.

Dear Portsmouth Property Owner:

The City of Portsmouth Assessing Department is now in the process of collecting information relevant to the market value of income producing property in the City.

As part of the program, the Assessor’s Office is surveying commercial, industrial and apartment property owners regarding their particular rental and expense data on their specific properties. These questionnaires seek information related to the operation of the real estate and NOT any business occupying the real estate. Enclosed is a form that we are requesting that you complete and return to our office within three weeks.

This information will help to establish the rental, occupancy levels, and expense levels on a variety of property types. We also would also appreciate if you would bring to our attention any additional information you feel may have an influence on the value of your property.

Information provided to the Assessor’s Office will be kept confidential and will not be available to the public for inspection.

We appreciate your assistance and cooperation in this process, and if you have any questions, please call us at 603-610-7249.

Sincerely,

Rosann Lentz
City Assessor

IX. Comments:
TO: JOHN P. BOHENKO, CITY MANAGER
FROM: CYNTHIA HUYGHUE-FANCY, SECRETARY TO THE COMMITTEE
RE: ACTIONS TAKEN BY THE PORTSMOUTH PARKING AND TRAFFIC SAFETY COMMITTEE MEETING HELD ON THURSDAY DECEMBER 11, 2014, AT EILEEN DONDERO FOLEY COUNCIL CHAMBERS, MUNICIPAL COMPLEX, ONE JUNKINS AVENUE, PORTSMOUTH, NEW HAMPSHIRE.

PRESENT: COUNCILOR LOWN, CITY MANAGER BOHENKO, DEPUTY FIRE CHIEF HEINZ, PUBLIC WORKS DIRECTOR RICE, PARKING & TRANSPORTATION ENGINEER EBY, AND MEMBERS: GRAY, WHITEHOUSE, AND ALTERNATE MEMBER: MCELWAIN.

ABSENT: POLICE CAPTAIN WARCHOL, SHARI DONNERMEYER, RONALD CYpher

[3] Action Item – Keefe House- Resident Handicap Parking – Marge Crean a resident at Keefe House, 20 Islington St., representing the residents requested additional handicap parking spaces within a reasonable distance of the Keefe House. Voted to have City staff put together a memo with the number of spaces in the City, and review handicap parking requirements for City and building owner, with a report back to PTS Committee.

Mr. Lown recused himself from the vote.

[4] Action Item – Peirce Island park – Riah Forbes – Riah Forbes, a Portsmouth resident requested more safety measures put in place around Peirce Island Park to provide safety for dog owners and their dogs as they cross the road. Voted to table item to be able to review comments from the petition and consult the Peirce Island Committee for their input as to additional signage.

[5] Action Item - Harborcorp Deer Street – Chris Thompson with Harborcorp, and Giles Ham with Vanasse & Associates provided details about a proposed building at Deer Street, and how the design of the building considered current issues with parking, bike storage and access, and bus access in and out of the area.

Mr. Rice said the traffic impact study is being reviewed by the City’s consultant and will report back to the Committee once the review is complete. No action is being taken at this time.

[6] Old Business – 118 Maplewood Ave parking problem David Schopick – Vicki Laplume representing Dr. Schopick, said due to new construction, the parking spots in front of the business and on the opposite side of the street are being taken by construction workers. Action: City staff will review construction mitigation management plans to ensure contractor is
complying with agreement, and watch the area to determine if construction workers are parking in these areas, and then take appropriate action.

[7] **Old Business – Haven Road Councilor Lown** - Mr. Grossman, the Principal at Little Harbour School, said they were still experiencing traffic backups during pick up and drop off times. **Voted** to have sign updated and posted on site, sign shall read “No parking or standing” in the area being used for loading and unloading. Signs to be placed at the end of Haven Road as well. If signs do not work then Mr. Whitehouse offered his services to direct cars during pick up and drop off at school hours.

[8] **Old Business – Portwalk Place Valet Activity** – **Voted** to have Parking and Transportation Division staff review parking activity during the weekend to ensure compliance with approved operations.

[9] **Old Business – Review Islington /Congress intersection traffic light** – Mr. Rice said review of the right on red light and its effects on traffic has not been completed at this time. Once the review is complete, DPW staff will report back to Committee.

[10] **Old Business 865 Woodbury Avenue road way** – Mr. Rice said he believed the Police had conducted a StealthStat of the road traffic. The City also has a Request for Proposal to evaluate that section of the roadway for safety, speeding, and functionality. Once the evaluation is complete staff will report back to the Committee.

[11] **Public Comment** - None

**Adjournment** – At 9:35 AM, **Voted** to adjourn.

Respectfully submitted by:

Cynthia Huyghue-Fancy
Secretary to the Committee

E. 865 Woodbury Avenue roadway - Mr. Rice said he believed the Police had conducted a StealthStat of the road traffic, and thought we may have a report back at the next PTS Committee meeting. The City also has a Request for Proposal to evaluate that section of the roadway for safety, speeding and, functionality. **Once evaluation is complete staff will report back to Committee.**

VII. PUBLIC COMMENT - None

VIII. INFORMATIONAL: None

IX. ADJOURNMENT - At 9:35 a.m., voted to adjourn.

Respectfully submitted by:

Cynthia Huyghue-Fancy
Secretary to the Committee
Acceptance of Minutes for December 2014 - Voted to accept December minutes

Acceptance of Financial Report – November 2015 - No Financials available due to holidays

Action Item - Dennett Street speeding- (DOT Project Manager -Adam Chestnut/ Eric Eby). Public Works staff will report back in February after StealthStat Study is complete and data has been evaluated.

Action Item – Sarah Mildred Long bridge schedule (DOT Project Manager) - Kaven Philbrook with CIANBRO, provided an overview of the project as it related to traffic. Kaven confirmed his staff would have the construction workers park on the Maine side of the bridge to limit the number of cars needing parking spaces on Market Street. In addition, Mr. Philbrook said the majority of the 125 cars will be parked at the staging area in the Port on the New Hampshire side of the bridge.

Action Item – No Parking Signs request for Dearborn Lane & Dearborn Street- Michael Brandzel - Mr. Brandzel explained the reason why he is asking for no parking signs, is because currently cars are parking haphazardly on the street and there isn’t enough space in general for cars to get past but it is worse when cars are parked on both sides of the street.

Mr. Eby, the City’s Parking and Transportation Engineer, said Dearborn Lane is currently 15-16ft wide and to safely allow parking a road should be 18ft wide. The ordinance has language about no parking on Dearborn Street but there are no signs to enforce current rules and the street names and verbiage needs to be revised in a future omnibus ordinance.

Voted to have the Parking and Transportation Engineer provide a written report back next month. At a minimum, Public Works staff could place “No Parking Here to Corner” signs, but will wait for the report back.

Action Item– Proposed State Street crosswalk at Chestnut Street – David Moore (African Burying Ground) - Voted to have a crosswalk placed across State Street at Chestnut Street with the loss of a parking space on the north side of State Street.
Old Business – Peirce Island dog crossing sign - Voted to have a crosswalk installed at the pathway crossing at the jughandle with an in-street sign that reads “Yield to Pedestrians”.

Old Business – Handicap Parking Policies and Regulations, Keefe House – Staff to report back next month on any potential solutions or changes to handicap parking enforcement to address the handicap parking issue Citywide.

Old Business – Islington and Congress No Right on Red blank out signs- The “No Turn on Red” sign is illuminated when pedestrians push the walk button. At all other times vehicles can turn right on red as long as no on-coming traffic is present. The red right arrow does not mean no turn on red. The light works as it should to allow cars to turn on red. **No changes are recommended.**

Informational – Letter referencing a request for additional taxi stand spaces – No Action Taken.

Adjournment – At 9:15 AM, Voted to adjourn.

Respectfully submitted by:

Cynthia Huyghue-Fancy
Secretary to the Committee
