He expressed concern regarding the former School House Restaurant and how this ordinance could impact that property.

Mark Brighton said he would support the Police Department contracts that are being presented.

Arthur Clough said that Ben Anderson took a picture of him and his child while eating ice cream at Prescott Park. He also spoke regarding the need for compliance in the park.

VII. PUBLIC HEARINGS

A. PUBLIC USE AND NECESSITY HEARING FOR EMINENT DOMAIN PURPOSES PROPERTY AT 150 GREENLEAF AVENUE MAP 243 LOT 067

Mayor Blalock read the legal notice, declared the public hearing open and called for speakers. He announced prior to the speakers the Legal Department will be making a presentation. City Attorney Sullivan said the Legal Department and outside counsel request the City Council to adopt the Resolution as presented.

Attorney Charles Bauer spoke to the overview of the area that was visited this evening. He addressed the history of the litigation. He spoke to the conditions of the site in the 1960's which were swampy. He said in 1964 the State of NH purchased property now known as 150 Greenleaf Avenue to construct and operate the New Hampshire Vocational Technical School. He said in 1967 the City Council advised of need for sewer to serve Lois, Marjorie and Sylvester Street. He reported that a city crew began excavating a ditch through land off Greenleaf Avenue toward Marjorie Street in an effort to drain the area and alleviate a swamp and odor problem. He further stated the residents of the neighborhood had complained to the City Council about sewage nuisance from septic tanks and asked for a sewer line to service the area. It was noted that engineers said the land must first be drained. Attorney Bauer outlined the following:
November 20, 1967 – State of NH Board of Education grants approval for City to install sewer line. NH State Board of Education voted:

“To approve the request of the Department of Public Works of the City of Portsmouth to extend a sewer line across the rear of the property of the Vocational Technical Institute in Portsmouth”

November 21, 1967 – Portsmouth Herald:

“In other business yesterday the board granted an easement to the City of Portsmouth across land at the Vocational-Technical Institute on the Interstate Highway for a sewer line for the proposed Prospect Park sewer.”

Late 1967 and 1968
City constructs sewer line in swamp land across the rear of the parcel

Attorney Bauer spoke to the change of ownership of the property during the time of purchase of land from 1983 – 2003. He said in 2003 a berm was put in place which is above ground. He said swamp is now referred to as wetlands. He said an error was made in obtaining rights to the land and in 2013 and 2014 the City was ruled a trespasser but the City appealed that in 2015. He reported that the present land owner has requested $26,500.00 per month for rent of the land. He also reported that numerous negotiations have been tried and failed.

Deputy City Attorney Woodland spoke to the items that will be addressed during this portion of the presentation. She said an appraisal of the property has been done and the City wants to maintain the flow and retention of water. She stated maintaining the wetlands area does serve a storm water function. She reported that the sewer line is atypical and addressed the covenants on Greenleaf Avenue. Deputy City Attorney Woodland said the area is necessary to maintain the sewer line and its supporting infrastructure. She addressed the acquisition would be 4.6 acres and the property taking is valued at $11,000,000.00 before and after the taking. She reported that there are limitations for the development of the property. She said the appraiser came forward with an offer of $345,000.00 for acquisition.

Attorney Kuzinevich representing Mr. Boyle said he cautions the City Council and said that this is not a simple case. He said there is 12 years of litigation and Mr. Boyle has won all of the cases. He reported that Mr. Boyle did not discover the sewer line when he purchased the property and he wants to put another dealership on the remaining acres. Attorney Kuzinevich said there is zero functionality of wetlands. He said there was a ditch around the property and the City created the wetlands without the owner’s permission. He stated that the eminent domain does not resolve the litigation. He said they will challenge the eminent domain and that the City will average rent to Mr. Boyle since 2008.

Jim Boyle said that this is costing the City a lot of money and that this is a bad faith taking.

Paul McEachern said he served the City Council in 1968 and the City Attorney was John Driscoll who was part time and did his best. He said the Board of Education would have given an easement, it was obviously an oversight.
Rick Becksted said eminent domain should be the last resort and feels that the City Council should try speaking with Mr. Boyle to resolve these issues.

With no further speakers, Mayor Blalock declared the public hearing closed.

At 9:45 p.m., Mayor Blalock declared a brief recess. At 9:55 p.m., Mayor Blalock called the meeting back to order.

B. RESOLUTION AUTHORIZING A SUPPLEMENTAL APPROPRIATION IN THE AMOUNT OF TWO HUNDRED ONE THOUSAND DOLLARS ($201,000.00) FROM UNASSIGNED FUND BALANCE FOR NECESSARY EXPENDITURES RELATED TO CONTRACTUAL OBLIGATIONS

Mayor Blalock read the legal notice, declared the public hearing open and called for speakers.

City Manager Bohenko said the collective bargaining agreements before the Council require a supplemental appropriation.

With no speakers, Mayor Blalock declared the public hearing closed.

Assistant Mayor Splaine moved to suspend the rules to take up item IX. B. – Adoption of Resolution Authorizing a Supplemental Appropriation of Two Hundred One Thousand Dollars ($201,000.00) for Unassigned Fund Balance for Necessary Expenditures related to Contractual Obligations; XII. Seconded by Councilor Cyr. On a unanimous roll call vote 7-0, motion passed.

XII. A.1. Request for Approval of a Proposed Agreement between the City of Portsmouth Police Commission and the Portsmouth Police Patrolman’s Union, NEPBA Local #11
Assistant Mayor Splaine moved to accept the proposed contract between the Portsmouth Police Commission and the Portsmouth Police Patrolman’s Union, NEPBA, Local #11, to expire on June 30, 2018. Seconded by Councilor Cyr.

Councilor Spear said that this goes for both police contracts that there are no items for overtime reform. He said the contract is very generous and he would vote against both contracts. He said his issue with this contract is the overtime and expressed concern that our Chief will only be here for a short amount of time and the contract is for multiple years and will tie the hands of a new Chief. He feels a contract should be put in place by a new Chief.

Councilor Lown agrees with what Councilor Spear has said but the new Chief will come in a year from now and there is another way to look at this. He feels the contract could be helpful to the new Chief.

Councilor Dwyer said she agrees with Councilor Lown and said this contract will make us competitive.

Assistant Mayor Splaine said Chief Mara and the Police Commission have done excellent work to get an agreement with the unions. He said we should be paying the Police and Fire more than they receive because they keep us safe.

Councilor Denton said he would vote for the contracts and it is not an issue because Chief Mara will not be here for a long period of time.

Mayor Blalock passed the gavel to Assistant Mayor Splaine.

Mayor Blalock said we want to maintain the employees and they are well deserving of this contract.

Assistant Mayor Splaine returned the gavel to Mayor Blalock.

Motion passed.

XII. A.2. Request for Approval of a Proposed Agreement between the City of Portsmouth Police Commission and the Portsmouth Police Ranking Officers’ Association

Assistant Mayor Splaine moved to accept the proposed contract between the Portsmouth Police Commission and the Portsmouth Police Ranking Officers’ Association, to expire on June 30, 2018. Seconded by Councilor Dwyer and voted.

XII. A.3. Request for Approval of a Proposed Agreement between the City of Portsmouth Fire Commission and the Portsmouth Professional Fire Officers’ Association
Assistant Mayor Splaine moved to accept the proposed contract between the Portsmouth Fire Commission and the Portsmouth Professional Fire Officers’ Association, to expire on June 30, 2018. Seconded by Councilor Cyr.

Councilor Spear said he would vote against the motion because it has to do with the fire boat. He said he cannot support paying a stipend to employees to run a fire boat when we do not have one.

Councilor Denton said we are planning to get a new fire boat and would the officer’s still need training to run the boat. Fire Chief Achilles said the Fire Commission recognizes that this was for training and the training still will be transferrable.

Councilor Lown said he would vote against the contract because 2 of the 3 Commissioners voted against a cost savings. He said shift replacement continues to be a concern and feels it needs to be reduced.

Mayor Blalock passed the gavel to Assistant Mayor Splaine.

Mayor Blalock said he was disappointed that the Fire Chief was not supported. He said we want to remain competitive and keep the employees. He said he would support the motion because he does not like to see employees working without a contract.

Assistant Mayor Blalock returned the gavel to Mayor Blalock.

Councilor Dwyer said she would support the contract but this time the union needs to work on shift replacement.

Motion passed. Councilor Lown and Spear voted opposed.

VIII. APPROVAL OF GRANTS/DONATIONS

A. Acceptance of Grant for Household Hazardous Waste Collection

Councilor Spear moved to accept and approve the grant to the Portsmouth Police Department in the amount of $10,182.00. Seconded by Councilor Lown and voted.
IX. CONSIDERATION OF RESOLUTIONS AND ORDINANCES

A. Resolution Re: Eminent Domain 150 Greenleaf Avenue

Councilor Spear moved to adopt the Resolution entitled “Regarding the Public Necessity for the City to Condemn Certain Property Located at 150 Greenleaf Avenue Portsmouth New Hampshire for Sewer, Drainage, and Storm water Purposes with Just Compensation to the Landowner.” Seconded by Councilor Cyr.

Councilor Lown said we heard a presentation from Attorney Kuzinevich on the matter of the land not being wetlands. He asked why the area surrounding the berm would the City need to preserve the land. Deputy City Attorney Woodland said in 2005 Mr. Boyle’s soil scientist declared the areas as wetlands. She spoke how the water flows through the property. She reported in 2011 without a permit Mr. Boyle installed culverts and there was a difference of opinion whether he was allowed to but the culverts were already in place. Councilor Lown asked why we can’t just take the area of land where the berm is located. Deputy City Attorney Woodland said this would be for waste water. Attorney Bauer said approval has not been given by DES or the City at this point the land is not developable. Councilor Lown said if just the berm was taken you could define the state of the berm and the state of the wetlands. Attorney Bauer said that is what you are being asked to do.

Councilor Dwyer said she did not hear anything about dams or creating wetlands. She asked if there is anything being proposed for a dam. Attorney Bauer said no the berm was said by Attorney Kuzinevich to be a dam.

Councilor Lown spoke about the amount of rent the City might be required to pay and asked if we can wait until we know what the amount is. Attorney Bauer said the rent from back to 2008 is $2.5 million you would not have to pay the rent going forward until something happens then at that point the rent stops. He said the primary purposes is to do the public use and necessity that was supposed to happen back in the 1960’s.

Assistant Mayor Splaine asked Deputy City Attorney Woodland how much this has cost to this point and how much it would cost going forward. Deputy City Attorney Woodland said in 60 days we are going before the BTLA and the cost is hard to predict. Attorney Bauer said the cost to date is approximately $300,000.00.

Assistant Mayor Splaine said the owner is making an appeal to talk with a member of the City Council and asked how we get to the point of an agreement. Attorney Bauer said he has spent an inordinate amount of time on negotiating. He said there have been many attempts to resolve things but Mr. Boyle has made that difficult.

Councilor Denton said he is not taking eminent domain lightly. He said if an attorney tells you go with eminent domain you need to listen because they know more than we do on this matter.
Councilor Dwyer said the old maps show what it was when a State agency grants approval by vote to approve the extension of a sewer line. She said we need to assume that means something and we need to trust that a State agency grants an easement in its written minute’s eminent domain is a last recourse. She said we attempted to settle and that comes at a cost. She stated many, many, many attempts have been made to settle. She said we need to learn from our history.

Councilor Lown said the questions is how does eminent domain compare with removing the line and building a pump station.

Assistant Mayor Splaine said he would vote against eminent domain and it leaves a bad test in his mouth. He said something here does not add up and there must be some way to get to yes without eminent domain.

Councilor Spear said eminent domain does allow us to get to yes. He said he agrees with comments made by Councilor Dwyer on the vote for the easement. He said it was a different world in the 1960’s and said the sewer line is a benefit. He said he endorses eminent domain.

On a roll call 5-2, motion passed. Councilors Dwyer, Spear, Cyr, Denton and Mayor Blalock voted in favor. Assistant Mayor Splaine and Councilor Lown voted opposed.
