Items Which Require Action Under Other Sections of the Agenda:

1.1 Public Hearing/Second Reading of Proposed Ordinance amending Chapter 3, Article II, Section 3.208, Regulation of Single-use Carryout Plastic Bags. As a result of the March 20th City Council meeting, under Section VII of the Agenda, I am bringing back for public hearing and second reading the attached proposed ordinance amending Chapter 3, Article II Section 3.208, Regulation of Single-use Carryout Plastic Bags. If the City Council wishes to proceed with the Plastic Bag Ordinance, City Attorney Robert Sullivan has opined the City Council consider amendments to the proposed Ordinance (see attached memorandum).

The proposed Ordinance which was substantially drafted by the Surfrider Foundation-New Hampshire Chapter. It has been subject to minimal modifications of form by the City Legal Department in order that the Surfrider ordinance would be consistent with existing City ordinances. In addition, the City Legal Department has inserted a severability provision into the ordinance so that if a court should find any section of the ordinance to be unenforceable, the remaining provisions would still have full force and effect.

In addition, I have attached a memorandum from City Attorney Robert Sullivan and Assistant City Attorney Jane Ferrini regarding House Vote on HB 481, Relative to the Use of Small Capacity, Lightweight Plastic Bags by Retailers. Their memorandum outlines concerns relative to the adoption of this Ordinance at this time. They are recommending that the Ordinance to ban plastic bags be postponed indefinitely awaiting further developments in the Legislature.

*If the City Council wishes to move forward with the proposed Ordinance, the following motion is recommended:*

*Move to accept all the amendments to the Plastic Bag Ordinance as set forth in the Memorandum from the Legal Department to the City Manager dated March 28, 2017, and further, to pass second reading and schedule a third and final reading of the proposed Ordinance at the April 17, 2017 City Council meeting.*

*Action on this matter should take place under Section VIII of the Agenda.*
1.2 **Public Hearing/Second Reading of a Proposed Ordinance amending Chapter 7, Article VII, Section 7.704 and 7.705 to clarify the Prohibition of Truck Traffic on Banfield Road.** As a result of the March 20, 2017 City Council meeting, under Section VII of the Agenda, I am bringing back for public hearing and second reading the attached proposed Ordinance amending Chapter 7, Article VII, Section 7.704 and 7.705 to clarify the Prohibition of Truck Traffic on Banfield Road with recommended changes. At the February 2, 2017 Parking and Traffic Safety Committee meeting, there was a vote to amend Chapter 7, Article VII, by deleting the current Section 7.704 Local Delivery Routes and restore the old Section 7.703 Exceptions. Attached is a memorandum from Eric Eby, Parking and Transportation Engineer, regarding this matter.

Eric Eby will give a presentation on Monday evening regarding this matter.

*I recommend the City Council move to pass second reading and schedule a third and final reading of the proposed Ordinance at the April 17, 2017 City Council meeting, as presented. Action on this matter should take place under Section VIII of the Agenda.*

2. **Public Hearing Re: Bonding Resolution.**

2.1 **Public Hearing of Proposed Resolution Authorizing a Bond Issue and/or Notes of up to Five Million ($5,000,000) Dollars for costs related to Elementary School Facility Improvements.** As a result of the March 20th City Council meeting, under Section VII of the Agenda, I am bringing back for public hearing the attached proposed Resolution authorizing a Bond Issue and/or Notes of up to Five Million ($5,000,000) Dollars for costs related to Elementary School Facility Improvements.

*Attached is a letter from Superintendent Steve Zadravec requesting that the City Council approve the authorization to bond up to Five Million ($5,000,000) Dollars for the Phase I improvements to Dondero School. This item has been identified in the FY2018 Capital Improvement Plan. Superintendent Zadravec would like to receive authorization on this expenditure in order to begin construction this summer while the students are on break. This is similar to the way Phase II Little Harbour School Improvements project took place and has seemed to work out very well.*

*I recommend the City Council move to adopt the Resolution authorizing a Bond Issue and/or Notes of to Five Million ($5,000,000) Dollars for costs related to Elementary School Facility Improvements. (Two-thirds vote is required as well as a roll call vote.) Action on this matter should take place under Section VIII of the Agenda.*
City Manager’s Items Which Require Action:

1. **New Street Name – “Foundry Place”**. The City Ordinances, Chapter 11, Article V, Section 11.501, provide that “the naming of all public streets and rights of way which are to receive or have received legal status by acceptance shall be subject to approval by the Planning Board.” As part of the municipal parking garage project, the City plans to construct a new public street between Bridge Street and Rock Street, and the City Council voted on February 6, 2017, to dedicate and accept the new street upon completion of construction. On March 16, 2017, the Planning Board considered several names suggested by the Parking Garage Building Committee, and voted to name the new street “Foundry Place.”

   *I recommend the City Council move to accept the recommendation of the Planning Board, as presented.*

2. **Request to Transfer Funds Re: 400th Anniversary Trust**. There remains a residual balance of $4,050.29 from donations received in preparation for the City’s 375th celebration in 1998. This balance has remained on the City’s books with the intent to be used for the next celebration.

   *I recommend that the City Council move to transfer the remaining balance from the City’s 375th Celebration account to the Portsmouth 400th Anniversary Trust.*

3. **Request for First Reading of Proposed Ordinance amending Chapter 1, Article IX Conflict of Interest/Mandatory Financial Disclosure, Section 1.902: - Election Candidate Financial Disclosures**. As recommended by the City Council and Councilor Josh Denton at the March 20th City Council meeting, I am bringing back a request to schedule a first reading of the proposed Financial Disclosure Ordinance at the April 17th City Council meeting. Councilor Denton and City Attorney Robert Sullivan have been working on the attached proposed Ordinance.

   *I recommend the City Council move to authorize the City Manager to bring back for first reading the proposed Ordinance at the April 17, 2017 City Council meeting.*

4. **Proposed amendment to the City Ordinances, Chapter 10 – Zoning Ordinance, Article 5A – Character-Based Zoning, Section 10.5A46 – Incentive Overlay Districts to allow excess community space provided by a development to be credited for use in another development in the same Incentive Overlay District**. Attached is a memorandum from Planning Director Rick Taintor along with a proposed zoning amendment to allow “banking” of community space in incentive overlay districts. As described in the memorandum, the proposed amendment is developed specifically to address the planned Vaughan Street hotel project and waterfront park, but could also be used for other projects in the North End and West End Incentive Overlay Districts. The recommendation is to refer this matter to the Planning Board. If the Planning Board...
completes its review at its April 20, 2017 meeting, the amendment could then be placed on the City Council’s May 1, 2017 agenda for first reading.

*I recommend the City Council move to refer this matter to the Planning Board for report back to the City Council.*

5. **Applications for Sidewalk Cafés providing Alcohol Service.** In 2012, the City Council adopted City Council Policy 2012-02 titled “Policy Regarding Use of City Property for Sidewalk Café’s providing Alcohol Service” amended February 21, 2017. For your information, a copy of this policy is provided under the City Council Policies’ section located in the back of your binder. This policy allows restaurants to apply for an Annual Service Agreement to occupy a defined portion of City sidewalk space for the purpose of creating a sidewalk café with the ability to serve alcohol. The policy outlines the criteria for both the application and the operations of the sidewalk cafés and calls for a 6 month term, typically running from mid-April through mid-October.

Last year, four Area Service Agreements were issued for public sidewalk occupancy. To date, we have received five applications for State Street Saloon, Popovers, Ri-Ra Irish Pub, Fezziwig’s Food & Fountain (new this year) and The District. Staff representatives from Police, Fire, Public Works, Inspections, Health, and Code Enforcement have reviewed these applications, found the applications complete, and recommend issuance of the Area Service Agreements in accordance with City Council Policy 2012-02.

The fee for the use of the public “Area” subject to the Area Service Agreement is $10.00 per square foot, with a minimum season’s fee of $2,000 and no proration of the fee. The Agreements may be suspended at the sole discretion of the City on an administrative basis and revoked in their entirety by vote of the City Council. Hours of operation are until 10:30 p.m. Monday through Saturday and until 10:30 p.m. on Sunday, with no smoking allowed in the “Area” at any time. Use of the “Area” may be precluded, modified or made subject to special conditions to accommodate municipal events. Each sidewalk café area will be separated from the public pedestrian space by a black decorative metal fence.

The table below summarizes applications received to date and associated fees:

a) **Application for Sidewalk Café providing Alcohol Service from State Street Saloon.** I am bringing forward for City Council action the attached Area Service Agreement for State Street Saloon for the 2017 season. Staff has reviewed State Street Saloon’s application and recommends its approval as presented. Please note that the “Area” to be used by State Street Saloon, along with a table-chair layout, is included as an attachment to the Agreement. This application involves:

- 5 4-top tables
- 1 2-top table
- 22 chairs
- Area: 340 square feet
- Area Service Fee: $3,400

*I would recommend the City Council authorize the City Manager to enter into an Area Service Agreement with State Street Saloon for outdoor alcohol service on City land for the 2017 season subject to City Council Policy No. 2012-02.*

b) **Application for Sidewalk Café providing Alcohol Service from Popovers on the Square.** I am bringing forward for City Council action the attached Area Service Agreement for Popovers on the Square for the 2017 season. Staff has reviewed Popovers’ application and recommends its approval as presented. Please note that the “Area” to be used by Popovers on the Square, along with a table-chair layout, is included as an attachment to the Agreement. This application involves:

- 10 4-top tables
- 1 2-top table
- 1 outside container full enclosed for garbage and recycling
- 38 chairs
- Area: 723 square feet
- Area Service Fee: $7,230

*I would recommend the City Council authorize the City Manager to enter into an Area Service Agreement with Popovers on the Square for outdoor alcohol service on City land for the 2017 season subject to City Council Policy No. 2012-02.*

c) **Application for Sidewalk Café providing Alcohol Service from Ri Ra Irish Pub.** I am bringing forward for City Council action the attached Area Service Agreement for RiRa Irish Pub for the 2017 season. Staff has reviewed RiRa Irish Pub’s application and recommends its approval as presented. Please note that the “Area” to be used by RiRa Irish Pub, along with a table-chair layout, is included as an attachment to the Agreement. This application involves:

- 7 4-top tables
- 48 chairs
- Area: 508 square feet
- Area Service Fee: $5,080
I would recommend the City Council authorize the City Manager to enter into an Area Service Agreement with RiRa Irish Pub for outdoor alcohol service on City land for the 2017 season subject to City Council Policy No. 2012-02.

d) **Application for Sidewalk Café providing Alcohol Service from The District.** I am bringing forward for City Council action the attached Area Service Agreement for The District located at 103 Daniel Street for the 2017 season. Staff has reviewed The District’s application and recommends its approval as presented. Please note that the “Area” to be used by The District, along with a table-chair layout, is included as an attachment to the Agreement. This application involves:

- 17 top tables
- 35 chairs
- Area: 467 square feet
- Area Service Fee: $4,670

I would recommend the City Council authorize the City Manager to enter into an Area Service Agreement with The District for outdoor alcohol service on City land for the 2017 season subject to City Council Policy No. 2012-02.

e) **Application for Sidewalk Café providing Alcohol Service from Fezziwig’s Food and Fountain.** I am bringing forward for City Council action the attached Area Service Agreement for Fezziwig’s Food & Fountain located at 112 State Street for the 2017 season. Staff has reviewed Fezziwig’s Food & Fountain’s application and recommends its approval as presented. Please note that the “Area” to be used by Fezziwig’s Food and Fountain, along with a table-chair layout, is included as an attachment to the Agreement. This application involves:

- 3 top tables
- 8 chairs
- Area: 120 square feet
- Area Service Fee: $2,000 (minimum)

I would recommend the City Council authorize the City Manager to enter into an Area Service Agreement with Fezziwig’s Food & Fountain for outdoor Alcohol service on City land for the 2017 season subject to City Council Policy No. 2012-02.
6. **Applications for Sidewalk Cafes providing Alcohol Service-private sidewalk.** The City has received 3 applications for sidewalk cafes that are proposed for the private sidewalk that runs along Portwalk Way. While these proposed locations are completely contained on private property, they are adjacent to the sidewalk area that the City has an easement over. The operation of these areas requires review for health and life-safety compliance and it was therefore determined that the City should review and issue a license for the operation. Because the operation occurs on private property and not on City property, as the other Sidewalk Café licenses, there is no associated fee with this action.

a) **Application for Sidewalk Café providing Alcohol Service from British Beer Company.** I am bringing forward for City Council action the attached Area Service Agreement for British Beer Company located at 2 Portwalk Place for the 2017 season. Staff has reviewed the British Beer Company’s application and recommends its approval as presented. Please note that the “Area” to be used by British Beer Company, along with a table-chair layout, is included as an attachment to the Agreement. This application includes:

- 3 4-top tables
- 6 2-top tables
- 24 chairs
- Area: 882 square feet

*I would recommend the City Council authorize the City Manager to enter into an Area Service Agreement with British Beer Company for outdoor alcohol service for the 2017 season subject to City operating conditions contained in Council Policy No. 2012-02.*

b) **Application for Sidewalk Café providing Alcohol Service from The BRGR Bar.** I am bringing forward for City Council action the attached Area Service Agreement for The BRGR Bar located at 34 Portwalk Place for the 2017 season. Staff has reviewed The BRGR Bar’s application and recommends its approval as presented. Please note that the “Area” to be used by The BRGR Bar, along with a table-chair layout, is included as an attachment to the Agreement. This application includes:

- 4 top tables
- 4 2 top tables
- 40 chairs
- Area: 440 square feet

*I would recommend the City Council authorize the City Manager to enter into an Area Service Agreement with The BRGR Bar Company for outdoor alcohol service for the 2017 season subject to City operating conditions contained in Council Policy No. 2012-02.*
c) **Application for Sidewalk Café providing Alcohol Service from Row 34.** I am bringing forward for City Council action the attached Area Service Agreement for Row 34 located at 5 Portwalk Place for the 2017 season. Staff has reviewed Row 34’s application and recommends its approval as presented. Please note that the “Area” to be used by Row 34, along with a table-chair layout, is included as an attachment to the Agreement. This application includes:

- 4 top tables
- 4 2 top tables
- 20 chairs
- Area: 290 square feet

*I would recommend the City Council authorize the City Manager to enter into an Area Service Agreement with The Row 34 for outdoor alcohol service for the 2017 season subject to City operating conditions contained in Council Policy No. 2012-02.*

7. **Draft Complete Street Demonstration Project Policy (Tactical Urbanism Policy).**

Last spring and summer, the City partnered with PS21 on the Islington Street Lab project, which temporarily transformed a section of the Islington Street corridor where residents and business owners had expressed concern about traffic speeds and pedestrian comfort and safety. Under the guidance of the consultant Mike Lydon with the firm Street Plans, the demonstration project’s temporary streetscape changes included creating crosswalk markings, on-street parking and café seating, and decorative elements (banners, signs and landscaping). PS21 hired Mike Lydon with the firm Street Plans to guide the planning and implementation of the project. Subsequent to this project, PS21 requested that the City consider adopting a policy and process that would provide for community-led temporary demonstration projects within public rights of way. The attached draft policy is based on a similar policy adopted in Burlington, VT. This policy would be used in conjunction with the City’s Neighborhood Traffic Calming Program and would enable neighborhood groups to initiate a temporary demonstration project in support of the City’s Complete Street and Walk/Bike Friendly Community Policies.

*I recommend the City Council move to authorize the City Manager to bring back the proposed Policy for action at the April 17, 2017 City Council meeting.*

**Informational Items:**

1. **Events Listing.** For your information, attached is a copy of the Events Listing updated after the last City Council meeting on March 20, 2017. In addition, this can be found on the City’s website.
2. **Report Back Re: Borthwick Forest.** Attached is a brief report with exhibits describing the context and history of development proposals for the area variously referred to as “Islington Woods,” “Borthwick Village” and “Borthwick Forest.”

3. **Household Hazardous Waste Day.** This year will mark the 21st year in which Portsmouth has conducted household hazardous waste collection event. We continue to provide this biannual collection service with the aid of grant money from the NH Department of Environmental Services Household Hazardous Waste Program. Our spring event will take place from 8 am to noon on April 29, 2017 and a fall event will be scheduled in October 2017. Nearby communities of Greenland and Newington will also participate in our spring collection event at no cost to the City. The collection location is at the Public Work’s Vehicle Maintenance Facility on 680 Peverly Hill Road.

According the NH Department of Environmental Services the average household throws 15.5 lbs. of hazardous material into the trash each year. Household hazardous materials are disposed of in other ways too. Certain products, such as used oil, are frequently poured down storm drains and many products end up going down the sink drain to septic systems or sewers. The City sees the household hazardous waste collection events as an outreach/education opportunity to help protect our environment.

The City has contracted with Clean Ventures LLC to collect the hazardous waste material. Clean Ventures will be responsible for supplying appropriate hazardous waste containers, collecting the waste from participating community residents, supplying qualified personnel, personal protective equipment, setting up and sorting hazardous materials within an area that is adequately controlled with spill contaminant provisions, and to provide documented transportation and disposal of hazardous waste. More information can be found at: [http://cityofportsmouth.com/publicworks/solidwaste-recycle-hhw.htm](http://cityofportsmouth.com/publicworks/solidwaste-recycle-hhw.htm).

4. **Downtown Business District Commercial and Residential Collection.** On October 17, 2016, the City Council approved an update to the City’s Solid Waste Ordinance Section 3.201 to better accommodate the Downtown Business District curbside collection times and update the ordinance language to reflect current practice and industry standards. This ordinance update will change the downtown residential pick up time from Monday evening to Tuesday morning. Commercial collection in the Downtown Business District will remain Monday evenings.

Previously, with pickup for both groups occurring on Monday evenings, problems occurred with refuse being put out on the streets in the morning before work when pickup did not occur until the evening. During a windy or hot day, this led to messes and odors within the downtown district. Due to complaints of trash remaining on sidewalks all day prior to its collection in the downtown business district, adjustment of collection times were made. These changes were based on public input via surveys and public meetings.
City Council approved the amendments to the ordinance, allowing Public Works to set new trash collection times and enforce the ordinance requirements more rigorously.

Beginning on May 1, 2017, Public Works will start to collect residents’ trash and recycling within the Downtown Business District on Tuesday mornings. Public Works crews will continue to collect trash and recycling from commercial establishments within the defined Downtown Business District Monday evenings at 4pm. There is no change to the current collection time for businesses and commercial properties are asked to keep sidewalks clear of trash and recycling until 2pm. By collecting downtown residents’ trash on Tuesday morning, trash collection will be more organized and streets will be left cleaner throughout the day. All properties utilizing the City’s collection service are limited to 300 U.S. gallons of solid waste per week.

5. **Backyard Compost Bin Program.** In our continued effort to preserve our resources and reduce pollution, the Department of Public Works (DPW) is exploring initiatives within the regular operating budget to offer residents more opportunities to sustainably manage food waste material. At the beginning of FY17, a food waste drop off location was added at the DPW Recycling Center for residents to bring their food waste to be collected for composting. The food waste drop off program helps provide an outlet to Portsmouth residents in more urban areas who wish to compost their food waste and do not have adequate outdoor space to do so themselves.

In addition to the food waste drop off program, DPW will be purchasing backyard compost bins to sell to residents at a 50% discount. Providing discounted compost bins to residents will encourage homeowners to start or continue their own backyard composting efforts and further reduce food waste going to the landfill.

The Earth Machine compost bin will be made available to residents for $50 while supplies last, normally a $100 retail value. Earth Machines are made of at least 50% post-consumer recycled polyethylene, come with a ten year warranty and provide a large 80 gallon capacity. Residents will be able to purchase the compost bins at Public Works and we anticipate the bins will be made available sometime in the middle of May.
