PLACE: CITY MANAGER’S CONFERENCE ROOM

JOHN KENNEDY, JACOB LEVENSON, LARRY LARIVIERE, PETER BRITZ, LUCY TREVINO, LYDIE FEDOROWICH, BRADY BAUM

Minutes

I. CALL TO ORDER

II. ACCEPTANCE OF MINUTES FROM Sept 2018

III. NEW BUSINESS

1. Renewal energy update

- Virtual net metering is more viable these days
- Put toward something else in municipality
- Request city manager for larger project
- Josh also pushed through solar energy, wood, heat, wind tax credit. Expanded year and limit.

2. Lisa Mayo of Mayo Design

- Recently led a mini conference on adjacent topics
- Looking to invite to Sustainability Meeting as guest speaker

3. Eco Club Update. Just getting started, more to follow at subsequent meeting.

4. Sustainability Website

- **Start of brainstorming:**
 - Permanent scroll
 - Home page for each navigation
 - Links to master plan, climate packet,
 - Missing committees: Conservation committee, trees and greenery
 - Split city initiatives and incentives.
 - Sustainable Environment Summit (an extension of may design)
- Josh to write detailed thoughts for review at next month's meeting.

5. Portsmouth conference

- Background behind Portsmouth involvement
- Overview from those members that attended

IV. ADJOURNMENT

Nov meeting: Lana to facilitate. Matt minutes

8:15
