City of Portsmouth > Public Works Home > Portsmouth Click N' Fix

### PORTSMOUTH CLICK N' FIX

**Welcome!** The Portsmouth Click N' Fix application enables you to request public works maintenance service. Please be advised that this citizen service request form is for non-emergency service issues only.

Please include your contact information in order to ensure a timely response, location accuracy and additional communication if necessary. After you submit your request, you will receive an email with a Service Request ID for reference purposes. City personnel will review your request and respond as resources allow. If you want to check on the status later, you'll need the Service Request ID. A **tutorial video** has been created to show you it's features.

In addition to submitting maintenance requests, citizens can view other community requests throughout the City in our portal below or through our mobile app. The City has also created numerous **Neighborhood Watch Areas** for those interested in monitoring reports specific to where they live.

Should your service request require immediate attention, you should dial **(603) 427-1530**.

We appreciate your request and thank you for helping to improve the City of Portsmouth.

# Resident Request Form

## Capital Improvement Program Project Suggestion Form

Please use this form if you have a project to recommend for consideration in the Capital Improvement Program. All project requests will be reviewed by the appropriate City Department and shared with the Planning Board CIP Advisory Committee for consideration in this year's or future year's Capital Improvement Program. You can also submit requests directly using the [online form](#).

**Submitter's Name** (please print) \_\_\_\_\_

**Submitter's Address** \_\_\_\_\_

**Submitter's Contact Information (phone and/or email)** \_\_\_\_\_

## Application for Traffic Calming Measures

Applicant Name: \_\_\_\_\_

Phone: \_\_\_\_\_

Email: \_\_\_\_\_

Please submit this application to Eric Eby, Parking and Transportation Engineer (ebeby@cityofportsmouth.com) to be considered for the Traffic Calming Program. The following information will help city staff to understand your request. Additional information may be required, including a citizen petition, as applicable.

1. Identify the requested street or area to be considered for traffic calming measures. (Attach a site map if possible).

2. Describe existing traffic issues (speeding, volume, etc.). Please include a description of who is involved (a certain kind of driver, most drivers, etc.), who is affected (pedestrians, homeowners, other drivers, etc.) and the days and/or time of day when the traffic issue is more prevalent.

3. List any neighborhood characteristics that may be pertinent to the traffic issue. Some characteristics may include school and business location with respect to traffic area, use of area by pedestrians or bicyclists, geometry of road, etc.

For more information please contact Eric Eby, Parking and Transportation Engineer at (603) 766-1415 or visit: <https://www.cityofportsmouth.com/publicworks/transportation/neighborhood-traffic-calming-program>
