To the City of Portsmouth,

I am writing regarding the Board of Adjustment meeting on March 16, 2021 for the property of 80 Fields Rd. Portsmouth, NH.

I do not have any concerns with Andrew and Katy DiPasquale's request to replace the shed with a new, larger shed as the notice indicates. Furthermore Andrew and Katy have done a great job with the property since moving in, and I look forward to their continued effort to improve on the property.

Thank you,

Byron Matto

Hi - I received an abutter notice for Peter MacDonald's petition at 58 Taft Road. Unfortunately I can't attend the zoom meeting, but I wanted to write in today to let you know I am in favor of them putting on the addition and porch. I will be able to see this addition from my house, I too have a porch in the back yard and it's a great space we enjoy and we hope they will enjoy theirs!

Thank you

Dear Board members,

I live at 9 Middle Road. I am not a direct abutter to this application. However, I live close enough to have received a written abutter notice. I walk past this property daily. The existing garage is not visually pleasing. The proposed garage and expanded living area above appears to be harmonious with the neighborhood and will provide an aesthetic improvement.

I support you granting the zoning relief.

Thank you for your time and consideration.
