SECTION 125

The City of Portsmouth allows you the option of taking your medical deductions on a pre-tax basis. This means we will take your medical deductions prior to taking federal, state (if applicable) and Medicare taxes.

See example:

John Anderson contributes \$150 per month (\$1800 per year) towards the cost of his family’s health insurance. If he elects to have that contribution deducted from his gross wages per-tax, he would save the following Federal and Medicare taxes:

Federal:	\$1800 x 15%	=	\$270.00
Medicare:	\$1800 x 1.45%	=	<u>\$ 26.10</u>
TOTAL SAVINGS =			\$296.10

FLEXIBLE SPENDING ACCOUNTS

A Flexible Spending Account (FSA) will allow employees to set aside dollars over the course of the fiscal year on a pre-tax basis to pay for medical and/or dependent care expenses. Deductions will be taken before Federal, State (if applicable) and Medicare taxes. NEW HAMPSHIRE RETIREMENT SYSTEM

All members must contribute 11.8% of their gross taxable earnings from their employer through automatic payroll deductions beginning their first day of employment. The City contributes to NHRS on behalf of their employees based on a percentage of covered payroll, the rate is determined by NHRS.

NHRS is a defined benefit plan. Retirement pensions are based on a predetermined formula measured by salary credit and service credit.

- **Average final compensation (AFC)** – The average of a member’s 5 highest-paid years of creditable service.
- **Creditable service** – Service credit earned as a contributing member of NHRS and prior service.
- **Earnable compensation** – Gross taxable earnings paid by an employer to a member from which NHRS contributions must be withheld.

Employees must have 10 or more years of creditable service to be vested. If you are an active member at age 52.5 or older with at least 25 years of Group II creditable service you are eligible to retire.

Refunds

Members must terminate their employment in order to withdraw their contributions plus interest. They may elect a refund of the accumulated contributions or a direct rollover of all or any portion of their accumulated contributions which have not yet been taxed. The employer contributions remain in NHRS. Members forfeit any earned rights to NHRS when they withdraw their contributions.

EARNED TIME

Effective: One Year from date of hire

It is the intent of this policy to explain the provisions and conditions of the Earned Time Program. The program has been created to provide, as equitably as possible, paid time off, to be used at the employee’s discretion, while protecting an allotment of time for disability, hospitalization or injury.

Earned time is a combination of vacation and personal absence days. A separate account per year is accumulated for disability time (seven days per year).

Earned Time is an alternative approach to the traditional manner of converting absences for vacation, sick leave, interim disability, maternity leave, by combing all these plans into one program. Instead of dividing benefits into a specific number of days for each benefit, Earned Time puts these days together into a single benefit. The exact amount of Earned Time accrued each year will depend on the years of service with the Portsmouth Fire Department.

Employees will begin accruing earned time based on the following schedule:

Years of Service	Earned Time	Accrual Rate	Disability Bank	Total Combined
1–5 yrs. incl.	17(1.417 days/month)		7	24
6 years incl.	18(1.5 days/month)		7	25
7 years incl.	19(1.583 days/month)		7	26
8 years incl.	20(1.667 days/month)		7	27
9 years incl.	21(1.75 days/month)		7	28
10 years incl.	22(1.833 days/month)		7	29
11 years incl.	23(1.917 days/month)		7	30
12 years incl.	23(1.917 days/month)		7	30
13 years incl.	24(2 days/month)		7	31
14 years incl.	24(2 days/month)		7	31
15 years incl.	25(2.083 days/month)		7	32
16 years incl.	25(2.083 days/month)		7	32
17 years incl.	26(2.167 days/month)		7	33
18 years incl.	26(2.167 days/month)		7	33
19 years incl.	27(2.25 days/month)		7	34
20 years incl.	28(2.333 days/month)		7	35
25 years incl.	29(2.416 days/month)		7	36

All absences from regularly scheduled work will be charged to an employee's Earned Time. Exceptions are:

1. Administrative Leave
2. Unpaid leaves of absence
3. After absence due to personal illness/injury for more than three consecutive working days an employee may use his/her Disability Bank, if available.
4. Emergency Leave
5. Military Leave
6. Worker's Compensation
7. Disciplinary Suspension

Applicable request forms will be completed, signed by the Shift Officer and approved by the Fire Chief prior to the use of earned time.

Earned Time begins accruing on the 15th of the month after the date of hire. Employees may use their earned time as soon as it earned once they have completed their probationary period.

Accumulated Earned Time may be used for personal illness or accident, immediate family illness or accident, or compelling personal reasons.

All Earned Time payments are computed at the employee's current base rate.

Employees are responsible for the Earned Time balance reflected on their pay stubs. Any errors should be reported immediately.

At separation, any unused earned time days will be cashed out at full value.

Unused Earned Time Carryover

Employees are allowed to accumulate up to a maximum of 60 earned time days as of January 1st of any calendar year. Any days over the 60 day limit but no more than 10 in a year may be cashed out by an employee hired after January 1, 1996 at ninety percent (90.0%) or deposited to the Disability Bank.

Disability Bank

Days will accumulate at the rate of seven (7) days per year (or .583 per month).

The Disability Bank hours are to be used for extended illness, injury, disability related to pregnancy, or hospitalization only. Usage of the Disability Bank commences with the 4th consecutive day of absence from work due to illness or injury. A physician's report must accompany the request to use the Disability Bank Days. Periodic updates from the employee's physician may be required. In the event that an employee is hospitalized or has surgery (this includes day surgery procedures) for something other than a work-related problem, the Disability Bank may be used starting with the first day of hospitalization. Any disability related to pregnancy will be treated like any other medical condition.

An exception to the policy that requires the usage of three (3) Earned Time days before being permitted to access the Disability Bank when the disability is certified by a physician to be the same as for the original use or from the same cause as the original Disability Bank usage.

Return to Work: Following a period of absence due to illness/injury, medical documentation supporting the employee's ability to perform the essential functions of the job is required prior to returning to work.

The use of the Disability Bank for extended illness or injury requires medical documentation and may indicate the need for use of the Family Medical Leave Act and the need to contact the Human Resource Department concerning long-term disability.

Upon death of an employee while in the employment of the City, the City shall pay to his/her spouse or next of kin an amount equal to 100% of the value of his/her accumulated sick leave. Firefighters hired after January 1, 1996 shall receive no pay out at all for accumulated sick leave either for retirement or termination.

Exhaustion of Earned Time/Disability Bank. An employee on an approved absence who has used all Earned Time and Disability Bank days will be placed on leave without pay. If the illness/injury qualifies for FMLA leave benefits will continue for the period of the Family Medical leave. Employees will not accrue earned time while they are on a leave without pay status.

HOLIDAYS

All employees covered by the Local #1313 Agreement shall be compensated at a rate of pay established by the annual base salary divided by 260.
