If an employee chooses to stay on the Blue Choice20 10/20/45 plan, the City's contribution toward the cost of health insurance will be capped at 90% of the premium cost of the AB20 10/20/45 plan.

If the parties are not able to agree on a plan that does not exceed any of the threshold levels for assessment of the Cadillac Tax, the parties will each select a plan that does not exceed any of the threshold levels for the assessment of the Cadillac Tax and submit them to a mutually agreeable arbitrator who will select between the two plans offered by the parties.

COLA and Salary Schedule

The parties agree that the following wage increases shall be paid under this contract.

~~Effective July 1, 2016, the wages for all members of the bargaining unit shall be increased by two percent (2.0%). This will be retroactive for employees on the payroll in the bargaining unit when the contract is approved by the City Council. Effective date of City Council approval and July 1, 2017 and July 1, 2018, Effective July 1, 2019, July 1, 2020, July 1, 2021, and July 1, 2022~~ wages

will be adjusted by a COLA based on the rolling 10-year average in the CPI-U for the Boston-Cambridge-Newton, MA-NH, of ~~between no less than~~ 2% and ~~no more than~~ 5%.

~~Effective July 1, of each year from July 1, 2016 through June 30, 2019 a COLA adjustment percentage increase shall be computed which shall not be less than 2% nor more than 5%.~~

The COLA Adjustment percentage shall be determined by the rolling ten (10)-year average in the CPI-U for the Boston-Cambridge-Newton all items index as computed by the Bureau of Labor Statistics of the U.S. Department of Labor for the most recent calendar year preceding the July 1 adjustment. BLS's calendar year for this index is November through November, it is not published on a December to December basis. Applicability After Contract Expires: It is clearly understood that in the event that the ~~five-four~~ year Working Agreement expires without a successor Working Agreement being settled prior to July 1, ~~2019-2023~~ that no further COLA adjustments after July 1, ~~2018-2022~~ will be generated under the Working Agreement even though the Working Agreement may have an evergreen clause. It is further agreed that continuation of COLA adjustments are not to be deemed "quo" as the term has been used by the PELRB in the event that a successor agreement has not been settled by July 1, ~~2019~~2023.

In addition, a new step will be added to the bargaining unit's wage scale effective July 1, 2004. The new step will be four percent (4.0%) above the previous top step. Employees with six years of service will be eligible for the new step. Effective July 1, 2011, a new step at 2.5% above the six-year step will be added for employees with eight (8) years of service. Effective July 1, 2013, a new step at 2.5% above the eight-year step will be added for employees with twelve (12) years of service.

Dispatchers will receive a shift differential of \$0.50 per hour for hours actually worked during the evening shift and \$1.00 per hour for hours actually worked during the midnight shift.

Effective July 1, 2016, the shift differential will be increased by 2%. Effective on the date of City Council approval, dispatchers will receive a shift differential of \$1.00 per hour for hours actually worked during the evening shift and \$2.00 per hour for hours actually worked during the

midnight shift. Effective July 1, 2017 and July 1, 2018, the shift differential will be increased by COLA.
