Portsmouth, NH**

The "SOUTH STREET CEMETERY" is actually comprised of five cemeteries:

**HARMONY GROVE CEMETERY
SAGAMORE CEMETERY
COTTON CEMETERY
ELMWOOD CEMETERY
PROPRIETORS CEMETERY**

Harmony Grove Cemetery was added in 1847. It is bordered by Sagamore Avenue, Sagamore Cemetery and the water. It is entered through Proprietors Cemetery at the "Y" in the paved road.

In 1945, John Eldridge Frost recorded the tombstone data in the entire "South Street Cemetery". This included Harmony Grove Cemetery. This project adds to his very important work.
