Re: 161 Deer Street

The Historic District Commission considered your proposal with a work session at its meeting on February 14, 2018 where permission was requested to allow demolition of an existing structure (demolish existing building) and allow a new free standing structure (construct new mixed use building) as per plans filed with the Planning Department.

The Commission voted to hold another work session at the March 2018 meeting. Please contact Liz Good in the Planning Department at 603-610-7216 for assistance with filing fees and deadlines dates to submit revised plans.

The minutes and tape recording of the meeting may be reviewed in the Planning Department.

Respectfully submitted,

 FOR

Vincent Lombardi, Chairman
Historic District Commission
