

## Program Information

- **WAIT LIST:** If the class you would like is full, you may ask to be put on a wait list. If that class has any cancellations, we will call down the wait list, in order, attempting to fill the vacant spot.
- **PROPER PLACEMENT:** Please check the website for details on placement. Any questions about placement may be asked at registration. Each swimmer will be tested during the first class, and we will notify parents if the child is not in the appropriate level.
- **MAKEUP:** We make every attempt to ensure a proper instructor/student ratio. As such, making up a missed class due to absence is not allowed.
- **BAD WEATHER:** We make every effort to run all lessons. Swim lessons will be canceled due to heavy rain or lightening/thunder. Call the pool after 9:00 am at 433-0039 to see if lessons will be canceled that morning.
- **RESIDENCY POLICY:** Portsmouth Residents must prove residency with a current drivers license. Please visit the Recreation Department website for the full residency policy.
- **CLASS CONSOLIDATION:** Prior to the first class, any classes with fewer than three students may be combined or canceled. Parents will be notified and given alternative choices.
