NEWS FLASH!

Senior Transportation & Volunteer Recruitment

The City of Portsmouth is excited to announce that the Cooperative Alliance for Seacoast Transportation (COAST) will be managing and operating the Senior Transportation Program as of October 1, 2018.

The program will offer a diversified option of transportation services including public transit, ADA paratransit, curb-to-curb advanced reservation services, shopping shuttles, and a volunteer driver program. Residents will be able to use these services to take rides to/from destinations in Portsmouth for shopping trips, going to the library and senior activity center, medical appointments, and even trips outside of Portsmouth (within a five mile radius of the city line).

The hours of operation will increase under COAST's management to five days per week, Monday to Friday, and 12 hours per day, 6:00 a.m. to 6:00 p.m. Fares for the different services will vary based on the type and level of service provided. There will be a variety of options available to pay the fare to ride, from paying cash with exact change when boarding, to punch tickets that may be purchased in advance. Rides to medical appointments, provided by volunteer drivers, will be free.

To schedule a ride or seek guidance on your transportation options, customers will call COAST's regional transportation call center, TriPLink at 603-834-6010.

In preparation for the transition, Portsmouth Senior Services and COAST are currently recruiting volunteers for the volunteer driver program. Volunteer drivers use their own vehicles to bring seniors directly to their medical appointments at no charge to the riders. This will be a new service for Portsmouth but is already being offered in other towns on the Seacoast. COAST will perform background checks on all drivers, make sure they have adequate insurance, and will reimburse drivers at \$0.35 per mile to cover the cost of their gas. Anyone interested in volunteering should call COAST at 603-834-6010 or email volunteers@coastbus.org.

Portsmouth Senior Services and COAST are hosting multiple information sessions for riders to learn more:

- Thursday, June 28, 12:00-1:00pm at Community Campus
- Thursday, July 26, 12:00-1:00pm at Community Campus
- Monday, August 13, 5:00-6:00pm at the Portsmouth Library
- Thursday, August 23 12:00-1:00pm at Community Campus
- Wednesday, Sept 19, 5:00-6:00pm at the Portsmouth Library
- Additional information sessions at Portsmouth Housing Authority, & other sites, TBD

The Cooperative Alliance for Seacoast Transportation (COAST) has provided public transit service to the Seacoast New Hampshire region since 1982. For more information on the transition of the Portsmouth Senior Transportation Program, please reach out to TriPLink at 603.834.6010 or triplink@communityrides.org, or the Portsmouth Senior Activity Center at 603.610.4433 or bsullivan@cityofportsmouth.com.

Start Scheduling Rides as of Sept 17.

*How to be More Involved in the
Legislative Process*

By: NH Alliance for Healthy Aging
Tues, July 24 11:30-12:30pm
@ Senior Activity Center FREE

Presenter: Dan Hobbs, NH Legal Assistance

New Hampshire Alliance for Healthy Aging (NH
AHA) is a statewide coalition of stakeholders
focused on advancing a culture that supports all of
us while we age. Attendees can expect to learn
about NH's unique legislative process and how you
can get more involved. With a focus on the issues
facing older Granite Staters, this information
session will provide the education and tools you
will need to stay engaged in your community and
have a greater impact on the legislative outcomes
affecting your everyday lives.

Aug Lecture: *How to Have a Good Death*

Thurs, Aug 23 at 1:00pm @ Senior Activity Center

Following the Senior Luncheon - Cookies will be served

Cristina Hepburn, Hospice Liaison from Beacon Hospice (an Amedisys company) will discuss the elements
involved in planning a good death.

It may sound odd to use the words "good" and "death" in the same sentence. Death is something most of us
avoid talking about until we are confronted with a health crisis. As a result, our loved ones are often
burdened with making decisions on our behalf, not really knowing what we would or wouldn't want for
medical interventions. Join us as we learn how to talk about this all too important topic.

Seniors, caregivers, professionals, adults...everyone is welcome to this free presentation.

RSVP: 603-610-4433
