

ADDENDUM NO. 1

RFP #14-08

Market Street Extension Gateway Improvement Project

This addendum forms a part of **RFP #14-08** and modifies the original Request for Proposals, as follows:

1. On page 3 under the Section entitled PURPOSE AND GOALS OF PROJECT, bullet #3 in the last paragraph is modified to read:
 - *Development of cost estimates for the streetscape improvements designed as part of this project.*

2. On page 5 item 9 under Task Three: Market Street Streetscape Improvement Conceptual Plan is modified to read:
 9. *Prepare itemized cost estimates for the Final Streetscape Improvement Plan. The City will reserve the right to amend the contract with the selected firm for this project for the purpose of developing construction drawings for the improvements designed under this RFP.*

The purpose of this addendum is to eliminate the task of developing a Request for Proposals for construction documents of the final streetscape improvements.

Please acknowledge the addendum, in writing, in your proposal. Failure to do so may subject firm to disqualification.
