

ADDENDUM NUMBER 1:  
Leslie Drive Drainage Outfall Project  
BID#25-15

Issued: February 25, 2015

This Addendum forms part of the original document marked: **Leslie Drive Drainage Outfall Project Bid#25-15**

**Addendum #1:**

As part of the work required under Note #1 as shown on the plan set, sheet PDR 1, provide equipment and labor to remove the deadwood on the subject property within 20' either side of the Contractor access route as shown on the plan. Contractor is to cut up the material into 4' sections and remove the dead woody material from the area and place the wood on the front curb line of the subject property for municipal pick up. There will be no clearing of live material allowed or requested outside the Contractor access area shown on the plan.

There will be no charge from the City for pickup.

Please acknowledge this addendum within your proposal. Failure to do so may subject a bidder to disqualification.
