ADDENDUM #2
FOR
City of Portsmouth
Portsmouth, New Hampshire
Bid #36-10
Annual Paving

This Addendum forms part of the original document marked: Bid #36-10 Annual Paving Project.

Replace pages 10 and 11 with the following attached proposal pages.

The following shall be added to the original bid document under Technical Specifications:

Special Provision to Section 618
Traffic Control

Amend Section 618 to:

All provisions of the “Manual on Uniform Traffic Control Devices” 2003 edition, and the “Standard Specifications for Road and Bridge construction”, State of New Hampshire, latest edition shall apply. Traffic control personnel and signage shall be supplied by the Contractor. This work shall consist of furnishing all labor, equipment, appliances and materials and performing all operations in the maintenance of traffic. A traffic control plan shall be submitted for approval 48 hours prior to commencing the work for each street. The contractor shall post signs 24 hrs prior to start of work, notifying the traveling public of impeding work on the street.

Basis of Payment to:

No separate payment shall be made for this item. The work shall be considered subsidiary to the contract.

Please acknowledge this addendum within your proposal. Failure to do so may cause a bidder to be disqualified.

End of addendum #2

PROPOSAL FORM (continued)

(See spreadsheets in technical specification section for specific locations of items)
