

ADDENDUM # 2
ISSUED JULY 5, 2012

**Maynard Park
Fence Replacement
Atlantic Heights**

Bid – 40-12

This Addendum forms part of the original bid package.

The City received several inquiries in follow up to issuance of the bid document 40-12. Below are the questions posed and the City's responses.

1.) Who removes existing fence?

Contractor to be responsible to remove and dispose of the existing fence to include fence fabric, poles, foundations, hardware, etc. If the contractor removes the concrete from the poles, the City will dispose of the concrete.

2.) Who fills holes left by removal of poles/foundations?

Contractor to be responsible to fill holes left by removal of poles/foundations.

3.) Who clears the brush from the fence line location?

Contractor to be responsible for clearing brush from fence line. Brush may be pushed up in a neat pile and the City will pick up for disposal. Pile must contain only clean brush. No dirt to be included.

Please acknowledge receipt of this addendum as part of your bid submission.
