

When sizing the clean agent system please go on the dimensions of the DPW General storage area at 45X 32 this dimension includes the back storage room the mechanical room and rest room.

**A change in ceiling height**

When sizing the clean agent system figure the drop ceiling at a height of 8 feet in the total 45X 32 dimension.

The window sizes are the same as posted in addendum 1

**SEYBOLT BUILDING  
BASEMENT STORAGE**
