

City of Portsmouth
Department of Public Works
Bid#55-15 Harborwalk Park Pier
Addendum #3
Date Issued: April 13, 2015

This Addendum forms part of the original document marked: BID#55-15 Harborwalk Park Pier.

The following request has been made and information provided:

Need wage rates for the following;

- *OPERATOR: Crane > 15 TN*
- *LABORER: Skilled*
- *Although WELDER rate is mentioned does not give rate (there are several depending on the task)*

A rate sheet covering all of the labor categories would work as well.

Response:

The rate sheet in the bid document is all the wage rates posted for Rockingham County. Contractors are responsible for determining the appropriate crafts necessary to perform the contract work. If a classification considered necessary for performance of the work is missing from the WD applicable to the contract, the contractor must initiate a request for approval of a proposed wage and benefit rate. Generally, the contractor initiates the request by preparing an SF-1444, Request for Authorization of Additional Classification and Rate, at the time of employment of the unlisted craft(s). (Reference Title 29 CFR Part 5, Section 5.5(a)(1)(ii) and FAR 22.406-3).

No price adjustment to the Contractor will be made following the new classification wage rate determination, up or down, and the minimum Davis Bacon wage determination for all established classifications will be the basis for payroll wage verifications.

Below is the link to the form:

<http://www.nh.gov/dot/org/administration/ofc/documents/SF1444.pdf>

The contractor completes blocks 2 through 15 on the form. Requests may be submitted without the form, but must contain the required information.

All else remains unchanged from original bid document.

Please acknowledge this addendum within your proposal, failure to do so may subject a bidder to disqualification.
