Rubbish Removal

This Addendum forms part of the original document marked: Rubbish Removal.

The following questions have were asked and answered.

- 1- Do any or all of the schools offer cafeteria services? **Yes**. If so are there an active recycling programs for discarded food products? **New Franklin School, Dondero School, Little Harbour School, and Middle School compost five days a week from our lunch program. The high school composts Tuesday's only at this time and Sherburne School does not compost at this time.**

- 2- Do any or all of the schools have active classroom recycling programs for paper, cardboard, etc? **Yes all of our schools have an active recycling program throughout their buildings.**

- 3- I am working on the Waste Management bid for the school department trash removal and I notice on the bid form it lists the Dondero School as an 8yd when we have a 6yd on site and the Little Harbour School as a 10yd when we have an 8yd on site. Are you looking to increase the container size at these locations for the new bid? **Yes dumpster size will increase at the following schools: - Little Harbour from 8 yards to 10 yards and - Dondero will increase from 6 to 8 yards.**

All else remains unchanged.

Please acknowledge this addendum within your proposal. Failure to do so may subject a bidder to disqualification.
