PROPOSAL SPECIFICATIONS

1. The Portsmouth School Department is accepting proposals for Rubbish Removal for the following schools; **Dondero Elementary, New Franklin Elementary, Little Harbour Elementary, Middle School, RJL Academy (Sherburne School), Athletic complex, and High school.**
2. (a) The proposal is desired to be a single contract "not to exceed" price for all aspects of rubbish removal. The proposal should be all inclusive of labor, equipment and materials necessary to satisfy the requirements in the attached specifications for rubbish removal.

(b) The proposal is desired to be single contract "not to exceed" price indicated above for the schools beginning of (1) July 1, 2015 ending June 30, 2016, (2) July 1, 2016 ending June 30, 2017, and (3) July 1, 2017 ending June 30, 2018.
3. (a) The method of payment shall be monthly billings upon completion of work performed on a monthly basis. This method may be replaced by less frequent "progress" billings. In no case will the total paid by the Portsmouth School Department exceed the proposal price unless specifically agreed to by both parties.

(b) The Portsmouth School Department is seeking a contract "not to exceed" price. The Portsmouth School Department will pay only for work performed and completed, and billed at the contractors pricing on a time, materials, and equipment basis. The proposal specifications make certain assumptions regarding frequency and quantities, which can be addressed, should conditions warrant at the time, in the estimation of the Facilities Director. It is possible the total dollar amounts for services required for labor and completed work will differ from the proposal per unit amounts. On the other hand, under usual and normal conditions, the Portsmouth School Department believes it has accurately reflected its needs for rubbish removal. Should additional services for labor, materials, and equipment be desired by the Portsmouth School Department over and above the specifications included additional dollar amounts above the contract can be billed to the Portsmouth School Department in accordance with the proper arrangements and approvals of the Facilities Director. These amounts will be billed at the "per unit" pricing in effect under the contract for the service(s) (labor, material, or equipment) deemed desirable by the Portsmouth School Department.

PROPOSAL SPECIFICATIONS (continued)

5. A performance bond of \$15,000 must be posted or an amount equal to 10% of the total contract price, whichever is greater. This requirement may be waived if in the opinion of the Portsmouth School Department adequate financial representation and assurances have been presented at the time of proposal award.
