

NON-OPERATING EXPENDITURES

Non-Operating expenditures consist of funding required for expenditures that are not directly attributed to the day to day operations of any one particular department.

DESCRIPTION:

Debt Related Services- Borrowing or bond issuance related expenditures are funded from this line item. This would include Tax Anticipation notes: A government's cash flow needs may require that it borrow funds in anticipation of future receipts. The City Council adopts annually a resolution which states that the City Treasurer, with the approval of the City Manager, is authorized to borrow under the Municipal Finance Act by the issuance of notes in anticipation of revenues from taxes if necessary.

Debt Service- A non-operating section of the budget that consists of anticipated principal and interest payments of issued long-term debt for the upcoming fiscal year. This section also budgets for projected new bond payments.

Overlay-Overlay is the amount budgeted for Abatements.

Property & Liability Insurance- This premium provides property and liability coverage for all departments within the General Government, Police and Fire Department.

County Tax- The City of Portsmouth is located in Rockingham County of the State of New Hampshire. The State of New Hampshire requires communities under RSA 29:11 to assess and collect property taxes for the operations of the county. The amount to be collected for the county is contingent on the proportion the city's assessed valued as it relates to the whole county.

Contingency- A non-operating line item of the budget used by the City Manager, with guidance from the City Council, for unanticipated expenditures not regularly budgeted for in the annual budget.

Rolling Stock- Funding for replacement of vehicles and equipment for Public Works, Police, Fire, School Departments as well as Prescott Park as identified in the Rolling Stock replacement plan located in Appendix I of this document.

Information Technology (IT) Upgrade and Equipment Replacement- Funding for Information Technology upgrades and replacements incorporates the General Government, Police, Fire and School Departments technology needs. A complete inventory and schedule of replacements are located Appendix II, Capital Improvement Plan.

Capital Outlay-Capital Outlay is the appropriation for pay-as-you-go capital projects identified in the Capital Improvement Plan adopted each fiscal year before the annual budget is submitted to the City Council from the City Manager.

Other General Non-Operating Expenditures-Other various line items related to the non-operating portion of the budget such as landfill closures, hydrants and leases.
