

Project #3 Islington Street Complete Streets

Project Description

This project is part of the City's on-going Combined Sewer Overflow-Long Term Control Plan. The project includes water, sewer, drainage and streetscape modifications on Park Street from Middle Street to Orchard Street; Wibird Street from Middle Street to South Street; Union Street from Middle Street to South Street; Richards Avenue from Lincoln Avenue to South Street; South Street from Wibird to Union Street; Chauncey Street; Hawthorne Street; portions of Willard and Marston St to separate sewer lines. This project is required as part of an EPA Administrative Order and is part of The City's comprehensive efforts to correct problem areas.

Status

Project is complete.
