

## Temporary Board Committees

---

It shall be the responsibility of the chairperson to appoint special committees whenever necessary. The chairperson shall outline the duties and responsibilities of each committee at the time of appointment and serve as an ex-officio member of the committee. Special committees shall be considered dissolved upon submission of a final report or the reorganization of the Board.

To alleviate the need for a multitude of special committees, the chairperson shall, whenever possible, refer these assignments to the administration for study and report to the full Board with recommendations.
