

As a general policy, solicitation within the schools for any purpose whatsoever is not authorized. No commercial enterprise may be represented in the schools and sale of goods and/or services on the premises is not authorized.

Any request for the exception to this policy must be submitted in writing to the School Board or through Superintendent of Schools for approval prior to the requested activity. The Superintendent of Schools is authorized to grant approval after notice to the School Board.

The Portsmouth Board of Education reserves the right to grant exceptions.
