RE: Mechanic Street at Pickering Seawall Rehabilitation Project
Portsmouth, New Hampshire

Dear FOSE Members:

As you are aware, the City retained Vine Associates (VA) – A Division of GZA GeoEnvironmental, Inc. for the engineering services for the Mechanic Street at Pickering Seawall Replacement Project. The City and Vine Associates wish to hold a public meeting to discuss the conceptual design and its impact on neighboring residences and businesses.

The meeting will be held in Conference Room A at City Hall on Tuesday December 13, 2011 at 7PM. Anyone with any questions can contact Tom Richter at City of Portsmouth Department of Public Works by calling 766-1412 or by email: trichter@cityofportsmouth.com.
