

Covid Response Task Force

November 15, 2022 12-1pm

Attendees: Lori Waltz, Abbie Frank, Molly Wilson, Linda Briolat, Kathy Bebee, Laurie McIntosh, Janet Laatsch, Amber Buttermore, Karen Conard, Nancy Brown, Will Arvelo

1. Call to Order- Kathy called the meeting to order at 12:02
2. Approval of Minutes 11.1.22- Motion to approve the minutes by Lori Waltz, Abbie Frank seconded, all in favor
3. Critical Areas of Need and Potential Solutions-Lori mentioned the 5 contributing factors: Economic insecurity, Education, Social and Community Context, Health and Health Care, Neighborhood and a Built Environment and suggested that we add food insecurity as critical area. (Refer to the Power Point Presentation). Members started going through the template power point presentation and added in thoughts on the problem, impact, potential solutions and organizations involved in the areas of transportation, mental health, workforce shortage, childcare. Housing and substance misuse will be reviewed at the next meeting, which is 9/29 from 12-2pm.
4. Karen handed out the presentation from the PineTree Institute. They are requesting \$60k from city. The question is do we want to coordinate with the Institute around services?
5. Public Comment- N/A
6. Adjourn-Lori Waltz motioned to adjourn, Abbie Frank 2nd, All in favor
