I am a West End resident writing in support of Oliveteal Arts and the request to provide six students at their home studio. Karen has put so much thoughtful time and energy into creating a space that is welcoming to all and will build community in our bright city. I am so glad Karen chose Portsmouth as her home and the space is perfect for an intimate and fun class setting. I am looking forward to taking classes and I hope Portsmouth supports Karen's vision of engaging community in the arts which has been the heart of Portsmouth for decades. Thank you. Kathy P.

To whom it may concern,

Planning Board of Portsmouth, NH as an abutter to the Rosania property I am emailing to show my support in favor of the Rosania petition! Karen does the city of Portsmouth NH proud ! Making space in our community for small businesses like this is in my opinion essential! Portsmouth loves to brag about how they support the arts...let's have integrity around that statement.

Sincerely,
