## **Article 23**

### **CLASS SIZE**

23.1 The School Board recognizes the importance of establishing appropriate class size in order to meet the needs of all learners in the classroom. The school board will make every effort to keep class size at 20:1 or lower in grades K-5. Similarly, the school board is cognizant of class size at the middle and high school levels and desires appropriate class size in order to learn in small groups, have one on one interactions and permit teachers to craft different strategies for children in their classes and therefore will make every effort to keep class size at a 24-27:1 or lower in grades 6-12. The district will, by law, not exceed the standards set forth in Ed 306.17, Class Size:

It is the responsibility of the employer to provide during the school year in-service training to all employees whose assignments require them to teach students who have individual educational programs. Such in-service training shall focus on P.L. 94-142, other relevant laws, regulations, and standards of a like nature, and shall address especially the technical aspects involved in developing individualized educational programs and satisfying the requirements of the law.

## **Article 25**

### **TEACHER RESPONSIBILITIES**

25.1 Teachers are expected to attend team and parent conferences at mutually agreeable times.

25.2 Teachers' attendance at open house or visitation times scheduled for parent participation is vitally important. Teachers who are unable to attend may be asked to submit in writing their reasons to their principal.

## **Article 26**

### **CONTINUOUS IMPROVEMENT PROCESS AND TEACHER EVALUATIONS**

26.1 It is understood that a key component to professional growth will involve a requirement that each teacher establish annual goals, which are measurable and ensure continuous improvement and achievement of student outcomes. These goals and their attainment shall be part of the evaluation process.

The parties agree and the BOARD delegates to the professional staff and Administration, the responsibility of organizing and implementing a Plan for Teacher Effectiveness. Representation will be offered to each level and there will be opportunity for all buildings to be represented. Staff input into future staff evaluation changes is recognized as being highly desirable and the administration will continue to consult the staff and the ASSOCIATION President, or his/her designee, in preparing and reviewing changes or additions. Final acceptance of any change will be the responsibility of the Superintendent and the BOARD.

The evaluation system will be established in such a way as to coordinate teachers and administrators' efforts in achieving the goals of the district and a responsibility for achieving student outcomes. This panel will establish criteria for valid evidence to be used in demonstrating continuous growth and effective teaching.

The educational process is an extremely complex one and professional staff striving for excellence is the most important element in a sound educational program. Thus, evaluation of the educational process is essential and ongoing in order to ensure the retention of highly effective professionals.

Professional Staff Evaluations should serve the following purposes:

1. To aid the individuals to grow professionally.
2. To encourage high standards in the field of education.
3. To enhance the quality of educational services to the students' community.

Staff evaluations are designed to be positive in nature and to promote professional growth. There may be cause, as a result of the evaluation process which dictates that the BOARD dismiss, non-renew, or direct other appropriate action be taken in individual cases.

26.2 Employees are required to submit a PLC SMART goal, a professional goal, and a personal goal. PLC work will not be dependent on a particular result in learning, but rather, submitting SMART goals and collecting evidence of student learning must suggest authentic implementation of PLC practice. If any goal(s) are not approved the employee will meet with their Administrator to revise the goal(s) in order to meet the district standards. Employees are also required to complete a self-evaluation of the set goals.

26.3 Since evaluations are designed to provide accurate feedback to staff on performance against set standards, Danielson's framework or other mutually agreed upon evaluation tool, for effective teaching will serve as the basis of an evidence-driven process of evaluation. Staff may choose evidence beyond the administrator's observations to contribute to the evaluation according to Danielson's rubrics.

26.4 All evaluations shall include appropriate observations by Administration. Additional evidence may include, but is not limited to, lesson or unit plans, videos of instruction, student assessments, and other professional contributions.

The evaluation, over time, should evidence a teacher's growth in performance toward distinguished according to Danielson's rubrics, or other mutually agreed upon evaluation tool.

26.5 For the purpose of evaluations, the year will be considered from April 1 through March 31, except that first year teachers will be evaluated from September through June, unless stated otherwise in the continuous improvement plan.

26.6 When an Administrator makes and signs a written evaluation and/or formal observation of a teacher, a copy will be given to the teacher who will acknowledge receipt thereof in writing; a copy will be given to the evaluator; and one copy will be filed in their personnel file which will be housed in the Superintendent's office. The teacher will be presented a copy of the evaluation and/or formal observation no later than ten (10) school days after the evaluation and/or formal observation. Teachers will have the opportunity to discuss the evaluation and/or formal observation with the administrator prior to signing and submitting to the Superintendent. Such signatures indicate only that the evaluation and/or formal observation has been completed and read by the staff member and not that he/she agrees with it.

26.7 If the teacher wishes to comment on any or all parts of the evaluation, the teacher may file written comments in the teacher's personnel file which is housed in the Superintendent's office within ten (10) school days.

26.8 The Plan for Teacher Effectiveness will address providing supports for teachers in need of an academic plan of improvement. Assistance shall be provided as soon as possible to teachers who are experiencing difficulties meeting professional responsibilities. The parties agree that any

academic plan of improvement be reasonable, achievable and measurable to ensure an employee's best chance of success.

26.9 If the academic Plan of Improvement is not achieved, it may result in a BOARD dismissal, non-renewal, and/or other appropriate action.

26.10 The administration shall make every effort to maximize class instruction time and minimize interruptions of the academic process due to non-academic activities.

26.11 In conformity with the intent of regulations and standards adopted for the implementation of P.L. 94-142, no employee shall be held accountable if a child does not achieve the growth projected in the Goals and Objectives of the child's Individualized Educational Plan.

## **Article 27**

### **PERSONNEL FILES**

27.1 Each teacher shall be entitled to knowledge of and access to supervisory records and reports of competence, personal character, and efficiency maintained in his/her personnel file with reference to evaluations of his/her performance in the Portsmouth School District. Any documents to be placed in a teacher's folder shall be photocopied and sent to the teacher at the same time they are placed in the folder. No document may be used against an individual if a copy has not been given to the individual.

27.2 In the event that the BOARD or its representative removes materials from an employee's file, a dated notation shall be placed in the file.

27.3 No information contained in the files of an employee will be released to an outside person or agency without prior approval of the employee, except to verify employment, duration of employment and confirmation of pay step.

27.4 Upon notice, each teacher shall have the right to review and reproduce material in his/her personnel file, and to have inserted his/her own written comments regarding the material.

27.5 The district agrees to protect the confidentiality of personal references, academic credentials, and other similar documents. No separate file, which is not available for the teacher's inspection, will be established.

## **Article 28**

### **SENIORITY**

28.1 Seniority shall be based on latest date of hire with continuous years of employment as members of the teachers' bargaining unit in the Portsmouth School System with the exception of part-time employees and employees who have taken LOAs or sabbaticals. The date of hire is defined as the meeting date that the BOARD approved the teacher's nomination. If the meeting date cannot be confirmed the date of hire would be September 1 of that year.

The following criteria will be used:

A. Part-time teachers will receive the same seniority percentage as their salary percentage. Teachers who work less than a full year will receive seniority for each month worked and they will be placed on the seniority list consistent with years worked. If date of hire is earlier than placement on the list then the part-time teacher would be deemed to be more senior.

- B. Required military service will in no way prevent accumulation of seniority.
- C. When two members have the same date of hire, the one that has taken fewer leaves of absence LOA or sabbaticals is senior. A teacher who has more than one LOA or sabbatical will be moved a seniority year down for each LOA or sabbatical with this teacher being more senior of that group.
- D. When two members are equal, the one with the greater number of years in the system is senior.
- E. There is NO break in service for any teacher on the RIF list.
- F. Professional employees in the system may maintain seniority in the bargaining unit by annually joining and paying dues to NEA and NEA-NH or by contributing the same amount to the APT Scholarship Fund.
- G. A full-time employee is defined as any employee working 187 days. For purposes of seniority, anyone working more than 187 days will not accrue additional seniority for that school year.

28.2 The BOARD will maintain a current seniority list based on seniority and areas of certification. This list will be updated and posted in every school by March 1st of each school year. A copy of this list shall be mailed to the APT President.

## **Article 29**

### **ASSIGNMENT CHANGE**

- 29.1 When either school administration or an employee desires a change in assignment, the party desiring such a change must notify the other in writing. If the transfer of assignment is at the request of the administration, then those teachers with five (5) years or less seniority may be transferred without regard to seniority. When teachers with more than five (5) year's seniority are involved then the least senior may be transferred first. When the transfer request is at the request of the teacher, the decision will be based on sound educational reasons.
- 29.2 Teachers transferred to another building at the request of the administration in Article 29.1 will be given two (2) days of non-school time with per diem pay to make the move.
- 29.3 No more than three percent (3%) of the staff may be transferred after August 1st.
- 29.4 Transfers, assignments or re-assignments within the school building will be excluded from this article except that all transfers will be for sound educational reasons and the person being transferred will be so notified in writing.
- 29.5 When enrollments necessitate the closing of a school, the administration will meet with the teachers involved to discuss the options available to them. A timeline and procedures (including procedures for the appropriate distribution of materials and equipment) will be developed as far in advance as possible. The administration will attempt to make placements that are compatible with the teachers' areas of strength, experience and preference.
- 29.6 Any teacher transferring into another teaching certification against his/her will shall be entitled to:
- A. Written reasons for the transfer.

- B. The right to a hearing before the Superintendent within ten (10) school days of the notice of the transfer.
- C. A program with material and guidance to assist the teacher in his/her new area of certification.

## **Article 30**

### **REDUCTION IN FORCE**

30.1 In the event the BOARD decides it is necessary to reduce the number of teachers

due to reasons of financial exigency, declining enrollment, program elimination or reduction, or the consolidation or elimination of positions, such reduction in force will be made in accordance with the following procedures.

30.2 The Board will make every reasonable effort to minimize the effect of reduction in force. The Board will first examine if it can be accomplished through attrition (retirements, resignations.) The Superintendent shall send written notification to the President of the Association and all teachers whose positions are being reduced or eliminated.

30.3 The decision to implement a reduction in force in a certification area will be made at the discretion of the School Board after all information is received and carefully reviewed. The School Board wishes to retain those teacher who not only have proper certification, but who have relevant teaching experience as well as evidence of involvement in the district and shall consider the following factors (points) in total:

1. Experience, teaching in Portsmouth, in certified area; (1-4 years, 1 point; 5-9 years, 2 points; 10-14 years, 3 points; 15-19 years, 4 points; 20-24 years, 5 points, 25 or more, 6 points)
2. Track / Degree Status (Track A, 1 point; Track B, 1 .5 points; Track C, 2 points; Track D, 2.5 points; Track E, 3 points; Track F, 3.5 points; and Track G, 4 points)
3. Professional Responsibility: Each year teachers complete a narrative reflection highlighting their contributions to the district. Teachers will be awarded up three points, a point for every activity where they evidence service to children (co and extra-curricular activities) or participation in school or district committees or projects.
4. Seniority in district (1-4 years, 1 point; 5-9 years, 2 points, 10-14 years, 3 points; 15-19 years, 4 points; 20-24 years, 5 points, 25 or more, 6 points)

<b><i>Relevant Teaching Experience</i></b>						<b><i>Points</i></b>

1	2	3	4	5	6	<i>Maximum of 6 points</i>
<b><i>Track / Degree Status</i></b>						<b><i>Points</i></b>
Track A	Track B	Track C	Track D	Track E	Track F	Track G
1	1.5	2	2.5	3	3.5	4
						<i>Maximum of 4 points</i>

<b>Professional Responsibility</b>	<b>Points</b>
1 point per activity / committee / stipended or non-stipended co and extra-curricular activities during the prior three years	<i>Maximum of 3 points</i>
<b>Seniority</b>	<b>Points</b>
1-4 years   5-9 years   10-14 years   15-19 years   20-24 years   25+years	
1                      2                      3                      4                      5                      6	<i>Maximum of 6 points</i>
<b>TOTAL</b>	<b>19 Points</b>

**Bumping Rights:** The right to bump a less senior teacher in another academic area may only occur if the teacher has taught within the endorsement for a period equal to the least senior teacher in the certified area.

If the Board determines all factors are equal, then seniority will prevail in making the final determination.

30.4 Any substitute work that is likely to result in employment as a permanent substitute will be offered to qualified and certified teachers on the re-employment list whenever possible.

30.5 Teachers so reduced will be re-employed in the inverse order in which they were reduced. Teachers hired before July 1, 1993 will be placed on a re-employment list for five (5) years. New teachers hired on or after July 1, 1993 will be placed on a re-employment list for three (3) years. This list will be updated and posted quarterly. If a re-called teacher accepts or refuses a part-time position, that teacher maintains his/her seniority in reduction in- force recall for any appropriate full-time position. However, if a teacher refuses an offer of full-time contracted re-employment, that teacher's name will be removed from the reemployment list, unless the opening occurs during the school year and/or if the teacher is under contract to another school district for that year. Nonetheless, a teacher may opt to be passed over one (1) time while on the RIF list without permanently being removed.

30.6 Teachers under a continuing contract who are not to be re-employed in the District

shall be notified in writing no later than April 1. However, if the individual's position is included in the BOARD'S proposed budget, said individual will be notified of such and that individual would not be subject to RIF recall provisions until August 10, however they would be subject to Article 29 (Assignment Change) and in the case of said teachers, Article 29.3 will be waived.

## **Article 31**

### **IMPROVEMENT PLANNING**

31.1 The parties agree there will be educational, instructional, and organizational changes implemented in the future through the improvement planning process.

The ASSOCIATION and the BOARD will work cooperatively to implement improvement planning. Neither party will utilize the collective bargaining agreement to impede the implementation of improvement planning goals.

It is understood that the flexibility envisioned by this section does not include changes in seniority, wages, insurance, leave benefits, or length of work year unless specifically negotiated and approved by all appropriate parties.

31.2 Daily Schedules - Teachers will work eight (8) hours but teachers in the same school may work different hours. For example, a school could be open from 7:00 a.m. to 5:00 p.m. and with some teachers working from 7:00 a.m. until 3:00 p.m. and others working from 9:00 a.m. to 5:00 p.m. Teachers with less than full-time contracts will have on-site work days (or work weeks) proportionally reduced.

31.3 Instructional/Duty Time - Daily instructional/duty time shall not exceed six hours. Daily instructional/duty time shall include time assigned to study halls, skill centers, and other assigned student related duties.

31.4 Career Ladder. In 2016-2017 this agreement introduces a career ladder that uses the terms Developing, Professional and Mentor Teacher. Interval is a term used to describe movement on the pay scale. Achievement Units (AUs) describe the knowledge and skill necessary for an educator to evidence to move up on the new pay scale. When educators accumulate 3 AUs they move one interval along the pay scale. All staff must attain 3 AU's each year regardless of their interval standing.

31.5 Teacher Quality Panel (TQP). In 2015-2016, there shall be a joint panel composed of three teachers representing the three grade spans (PK-5; 6-8 and 9-12) and three administrators representing the three levels appointed by the union and the school board. The TQP will 1) Establish criteria for evidence used in self-evaluations on Danielson's framework; 2) establish staff training to strengthen peer feedback. TQP appointments will be for a three (3) year term. No employee shall serve more than one (1) consecutive term, unless in the event that no other candidate expresses interest.

### **SECTION III - GRIEVANCE PROCEDURE**

#### **Article 32**

#### **CONTRACT CLARIFICATION**

32.1 Where a teacher or the ASSOCIATION disputes an interpretation and/or application of the contract or conditions of employment implied but not necessarily stated in the written contract, he/she, or the ASSOCIATION may initiate a grievance, except that non-renewal or dismissal of probationary teachers will be dealt with according to State law.

A grievance to be considered under this procedure must be initiated by the employee or the ASSOCIATION within twenty (20) school days of when the employee should have reasonably known of its occurrence.

32.2 Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step, except at the BOARD level. Failure at any step of this procedure to appeal a grievance to the next step within the specific time limits shall be deemed to be acceptance of the decision rendered at that step. A decision on the grievance at the BOARD level shall be rendered within the time limit set forth or the grievance shall be deemed favorable to the grievant.

32.3 Any employee who has a grievance shall discuss it first with his/her immediate supervisor, if applicable, in an attempt to resolve the matter informally at that level. If the action or inaction being grieved originated with the Superintendent or the BOARD, the grievance may be initiated at the Superintendent's level.

32.4 If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee within seven (7) school days, he/she shall set forth his/her grievance in writing to his/her immediate supervisor or Superintendent, if appropriate, specifying: (a) The nature of the grievance and date occurred; (b) the nature and extent of the injury, loss, or inconvenience; (c) the results of previous discussions if any; (d) his/her dissatisfaction with decisions previously rendered; and (e) the remedy requested. The immediate supervisor or the Superintendent shall communicate his/her decision to the employee and ASSOCIATION within five (5) school days of receipt of the written grievance.

32.5 No later than ten (10) school days after receipt of the immediate supervisor's or Superintendent's decision, the employee and ASSOCIATION may appeal the decision to the Superintendent of Schools or BOARD, if appropriate.

The appeal must be made in writing, reciting the matter submitted to the immediate supervisor, as specified above, and his/her dissatisfaction with decisions previously rendered. The Superintendent shall meet with the employee and the ASSOCIATION to attempt to resolve the matter as quickly as possible, but within a period not to exceed five (5) school days, and the Superintendent shall communicate his decision in writing to the employee and the ASSOCIATION, and the immediate supervisor within ten (10) school days.

32.6 If the grievance is not resolved to the grievant's satisfaction, he/she and the ASSOCIATION, no later than five (5) school days after receipt of the Superintendent's decision, may request a review by the BOARD. The request shall be submitted in writing through the Superintendent of Schools, who shall attach all related papers and forward the request to the BOARD. The BOARD, or committee thereof, shall review the grievance and shall, at the option of the BOARD, or upon the request of the grievant, hold a hearing within thirty (30) school days. A decision in writing shall be communicated within thirty (30) calendar days of the hearing. A decision will be deemed communicated to the ASSOCIATION if it is postmarked, first class and return receipt requested, within the time limit.

32.7 If the decision of the BOARD does not resolve the grievance to the satisfaction of the grievant and he/she wishes a review by a third party, he/she shall so notify the ASSOCIATION within five (5) school days of receipt of the BOARD'S decision. If the ASSOCIATION determines that the matter should be reviewed further, it shall, in writing, so advise the BOARD through the Superintendent within ten (10) school days of receipt of the BOARD'S decision. The parties shall then initiate a request for arbitration under the procedure set forth herein.

32.8 A request shall be made to the American Arbitration Association to submit a roster of persons qualified to function as arbitrators in the dispute in question.

32.9 If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they shall request the American Arbitration Association to submit a second roster of names.

32.10 If the parties are unable to determine, within ten (10) school days of the initial request for arbitration, a mutually satisfactory arbitrator from the second submitted list, the American Arbitration Association may be requested by either party to designate an arbitrator.

32.11 Neither the BOARD nor the ASSOCIATION will be permitted to assert any grounds or evidence before the arbitrator, which were not previously disclosed to the other party. The findings of the arbitrator shall be binding on the BOARD, ASSOCIATION, and grievant. Any of the parties may appeal to the courts the decision of the arbitrator, in accordance with RSA 542 upon the condition that the appealing party pays the reasonable attorneys' fees of both parties relating to the appeal.

32.12 The BOARD, the aggrieved, and the ASSOCIATION shall receive copies of the arbitrator's report. This shall be accomplished within thirty (30) calendar days of the completion of the arbitrator's hearing.

32.13 Should the grievant so elect, the aggrieved person shall be represented at all stages of the grievance procedure by his/herself, or by a representative selected or approved by the ASSOCIATION. The ASSOCIATION shall be notified at all levels and has the right to be present at all levels.

32.14 The parties participating in this involvement are guaranteed individual freedom from restraint, interference, coercion, discrimination, or reprisal in presenting an appeal with respect to a personal grievance.

32.15 The fees and expenses of the arbitrator shall be shared by the two parties equally.

32.16 If the parties disagree as to the meaning or interpretation of any of the provisions of this AGREEMENT, either party may utilize the clarification procedure set forth in Article 32 in order to resolve said dispute.

32.17 Judgment to process a grievance under this provision shall not indicate agreement as to the validity of the grievance, but only that the parties view the grievance procedure as an expeditious means of resolving grievances.

32.18 All documents, communication, and records dealing with the process of a grievance shall be filed separately from the personnel files of the parties of the participants and shall not be forwarded to any prospective employer of the grievant, nor shall such documents be revealed or the grievance(s) be alluded to in any communication between the administration and said prospective employer. A copy of all documents shall be given to the grievant.

## **SECTION IV - LEAVES AND BENEFITS**

### **Article 33**

#### **SHORT TERM LEAVES AND ABSENCES**

33.1 At the start of each contract year, each teacher will be granted seventeen (17) days per year for personal illness or illness in the immediate family. A maximum of three (3) days per year for personal business or emergency leave may be used from sick leave. For all employees hired prior to July 1, 2014, there is unlimited accumulation of such leave; all employees hired after July 1, 2014 will accumulate sick leave as set forth in this article to a maximum of one hundred and fifty (150) days. No more than fifteen (15) days per year of paid leave may be used for illness in the immediate family. Personal leave may not exceed three (3) days per year, unless approved by the Superintendent of Schools.

The teacher will provide twenty-four (24) hours advance notice. Taking a personal day preceding or subsequent to any school holiday or vacation shall require prior approval from the Superintendent.

The BOARD will provide one (1) day of additional pay, at the teacher's current pay rate, to any employee who has used no sick days or personal days in a school year.

33.2 For employees hired on or before June 30, 1996, The BOARD agrees to pay 85% of the accumulated short term leaves of absence days to a maximum of 190 days, in a cash payment at the per diem rate which the teacher last earned to any teacher who retires from the system under N.H.

State Retirement Laws or upon a teachers voluntary resignation so long as the teacher has worked ten (10) or more years in the system. (The exception to this voluntary resignation provision is that a teacher resigning in the face of dismissal or non-renewal based upon charges of serious criminal misconduct will not be paid for accumulated sick leave under this contract even if the employee voluntarily resigns). All employees hired after July 1, 1996 will earn and accumulate sick leave in accordance with the other provisions set forth in this article but shall receive no payout for accumulated short term leave of absent days either upon retirement or voluntary resignation.

33.3 In the event of prolonged absence as a result of accident or illness, the SCHOOL BOARD will consider circumstances that might warrant extension of full or partial sick pay.

33.4 A leave bank is hereby established which entitles an individual for reasons of personal illness to borrow, in advance, sick leave not yet accumulated, not to exceed thirty (30) days. Upon implementation of this contract any employee who is in excess of thirty (30) negative days shall be expected to work with the business office to establish a re-payment plan to address excess negative days in a reasonable and timely manner. Such repayment will be waived in cases where an employee's separation from employment with the District is due to death or permanent disability. It may also be waived on a case-by-case base.

33.5 Any teacher receiving sick bank or income protection benefits under Section IV, Article 37.4 shall be entitled to life insurance, retirement, disability insurance and health insurance for a period of one (1) year. After one (1) years, the teacher will have the option of continuing these benefits at his or her own expense. While the teacher is on disability, he/she will be deemed to be under contract to the school system.

33.6 Any person covered under this agreement shall be granted sick leave for the purpose of adopting or giving birth to a child. The duration of sick leave may be six (6) weeks, or longer as determined by a doctor. It is understood that persons covered under this agreement may use any available sick leave for this purpose. It is understood that FMLA may also be utilized for these purposes.

Upon return, the Superintendent will assign the teacher to his/her former position or an appropriate certified alternate position.

### 33.7 Employee Sick Leave Bank:

A voluntary donated sick leave bank will be established to provide additional paid leave for participating employees who have exhausted their accrued leave as a result of a catastrophic or extenuating illness or injury to self, or an immediate family member. The Bank serves as a depository to which participating employees may voluntarily contribute leave for allocation to other participating employees. The purpose of the Bank is not to provide unlimited paid leave for any medical reason, but to alleviate the hardships outlined above.

Employees will be given an opportunity to donate to the Bank every year. Days will be donated between the first day of school and September 15<sup>th</sup>. When necessary, additional donations may be requested by the APT Executive Board.

Only employees who donate to the Bank are eligible to apply for benefits from the Bank.

At the time of submission, the APT Executive Board may require substantiating medical documents, and in all cases, the decision rendered by the committee shall be final and binding.

If approved by the APT Executive Board, these days will be presented without penalty or repayment. The decision of the APT Executive Board to approve use of the Employee Sick Leave Bank shall be communicated in writing to the Superintendent for record keeping purposes. Administration shall provide the APT with a list of employees who have donated a day by September 15<sup>th</sup> of each school year.

**Membership Eligibility, Obligations, and Limitations:**

1. Eligibility is discontinued upon termination of employment, retirement, or death. No payment of benefits will be made to survivors.
2. Members must waive all claims to leave voluntarily donated to the Bank, including any monetary or retirement-related value the days may hold.
3. The maximum amount of donated leave bank benefits accessible to a recipient cannot exceed 91 days.
4. If intermittent treatment is required, unused approved donated leave bank benefits will be provided on an as-needed basis until the employee recovers from the catastrophic illness or injury or the benefit ends, whichever is earlier.
5. Any balance of days approved but not required for the illness/injury will remain the property of the Bank.
6. Employees who are off work due to an on-the-job injury or illness may request time from the Bank until the determination of the workman's comp claim is issued.

In November 2021, if the CDHP\* exceeds the threshold levels for the "Cadillac Tax" under the ACA the Employer and the Association will reopen Article 39-Insurance for negotiations with the express intent of identifying a healthcare plan that complies with the ACA and does not result in the imposition of the so called "Cadillac Tax". If the parties cannot agree on a proposed plan, the plans shall be submitted to binding arbitration no later than April 1, 2022. The parties shall mutually agree to the selection of the Arbitrator.

\*The CBA defines CDHP as SchoolCare's high deductible plan currently known as the Yellow Open Access with Choice Fund Consumer Driven Health Plan.

The Association agrees to participate in a City-wide committee to explore health insurance options.

39.1b Should the parties agree in writing to establish a cafeteria style plan dealing in insurance issues during the course of this three (3) year agreement - such plan would only become effective if ratified by the Association, approved by the School Board and approved by the City Council.

### **DISABILITY INSURANCE**

The School Board will self-insure or purchase income protection insurance for each teacher who works at least fifteen (15) hours or more per week to begin no sooner than the 91st day of disability.

Payments shall equal 66 2/3% of the monthly salary of the teacher at the date of disability. Said insurance will run until age 65 and shall be coordinated with social security benefits. It is understood that a teacher shall not accept benefits under the income protection plan and simultaneously borrow time from the sick bank.

The teacher and the school system shall be joint beneficiaries of this insurance. #### **Article 41**

### **LIFE INSURANCE**

In the event that a teacher dies while under contract to the school system, any sick leave borrowed from the sick bank will be repaid to the school system from the proceeds of the insurance. The balance of the proceeds will be turned over to the beneficiary named by the teacher. Additional life insurance may be purchased by the teacher. The teachers will pay for this insurance on a monthly basis through payroll deduction. It is understood that employees age 70 and over will have their benefits reduced in accordance with the certificate schedule attached as Attachment #1 to this Contract.

#### **Article 42**

### **POLICIES**

The BOARD will provide the ASSOCIATION with copies of all insurance policies under which employees are covered.

#### **Article 43**

### **RETIREMENT PROVISIONS**

43.1 The BOARD agrees to pay 85% of all short term leave of absence days, not to exceed one hundred and ninety (190) days for employees hired on or before June 30, 1996, in a cash payment at the per diem rate which the teacher last earned, to any teacher who retires from the system under N.H. State Retirement Laws or voluntarily resigns his or her employment if the teacher has completed ten (10) or more years in the system. It is understood that employees hired after July 1, 1996 will earn and accumulate sick leave in accordance with the other provisions set forth in this contract but shall receive no payout for accumulated short-term leave of absence days either upon retirement or voluntary resignation.

43.2 If a teacher wishes early payout of accrued leave in accordance with paragraph 43.1, the retiring or resigning teacher may notify the Superintendent by December 15th prior to the year of the first payment of accumulated sick leave. This will enable the employee at his/her discretion to receive this payment of accumulated sick leave over a one (1), two (2), or three (3) year period. It is understood that once a teacher accepts the first payment under the single/multi-year payout plan that he/she may no longer withdraw his/her notice of retirement or resignation.

## **Article 44**

### **WORKERS' COMPENSATION**

## **Article 45**

### **STUDENT APPROPRIATION**

An appropriation equal to three dollars (\$3.00) per student in elementary schools shall be placed in the budget. The expenditure of this money will be decided jointly by the Principal and teachers in each school.

## **SECTION V - SALARIES**

### **Article 46**

#### **PROFESSIONAL DEVELOPMENT AND ADVANCED DEGREE PAYMENT**

46.1 The BOARD agrees to budget for professional growth each year. The amount will equal one-third (1/3) of the number of staff members times the cost of one four (4) credit graduate course in a matriculating program at the University of New Hampshire. These funds may be used for course reimbursement, conferences, workshops and enrichment programs that clearly and substantially support the teacher's specific job assignment, district-wide initiatives, or for re-training or cross-certification at the approval of the administration.

46.2 A committee, comprised of teachers and administrators will develop a schedule of deadline dates and how the disbursements will be allotted.

46.3 Only staff development hours in excess of those necessary to achieve certification will be counted toward the Advanced Degree Schedule, limited to five (5) credits every three (3) years. Such credits for advanced degree payments must be or directly related to the improvement or accomplishment of the teaching assignment. The Committee will approve and establish an expanding set of in-house professional development opportunities that will be credit-bearing on the advanced degree schedule. These opportunities will be extended courses on current topics for the purposes of increasing professional growth. The Committee will review proposals from staff to offer in-house courses. Teachers offering in-house courses will receive a \$50 per hour stipend.

Transfer requests must be made on or before September 1 in order to be credited to the current year's contract.

46.4 Course reimbursement will be paid within four (4) to six (6) weeks upon proof of payment with original receipts. If a teacher drops a course, he/she must notify Central Office immediately and must reimburse the District either through payroll deduction or cash payment within two (2) weeks of said notification. The teacher must provide official evidence, within two (2) weeks of receiving notification, of a minimum grade B or better. If said grade(s) is not obtained, the teacher must reimburse the District either through payroll deduction or cash payment within two (2) weeks.

46.5 Adjustments will be made to contracts for any course work completed prior to September when a transcript of official documentation of a minimum grade of B or its equivalent is received in Central Office on or before September 1.

It is the employee's responsibility to notify Central Office that an adjustment should be made. No adjustments will be made after September 1.

Adjustments will be made only for credits that clearly and substantially support the teacher's specific job assignment.

Credits that substantially duplicate other units will not receive salary credit. A teacher who has completed course work, but whose documentation will not be completed until after September 1, will be entitled to an appropriate adjustment if an appropriate official of the School the teacher is attending certifies that the course work has been completed by letter to the Superintendent delivered prior to September 1, in many cases, a certification from the Professor will be acceptable.

#### **Article 47**

#### **HIRING HELP**

The BOARD agrees to make every effort to hire those teachers who are fully and appropriately certified or certifiable. The BOARD may hire certified or certifiable personnel on a lower step than their level of experience.

#### **Article 48**

#### **ADVANCED DEGREES**

Effective July 1, 2003, all teachers are required to have a Bachelor's Degree from an accredited institution of higher education. The district will pay a stipend for teachers who have attained additional coursework as described in Appendix A.

#### **Article 49**

#### **LONGEVITY AND INTERDISCIPLINARY COUNCIL**

It is understood the School Board over time wishes to re-allocate monies traditionally dedicated to Longevity compensation to be available to reward highly effective teachers who achieve Model Teacher status. As such, 2014-15 will be the last year teachers will achieve one of the three levels outlined in the contract; those who have attained a level of longevity will continue to receive an annual stipend.

Teachers with more than 25 years of service in the District as of July 1, 2014 will continue to receive a stipend in the amount of \$4,544 for participation on the Interdisciplinary Council. All teachers who receive the Interdisciplinary Council stipend will continue to receive, annually, \$4,544 until the teacher retires or resigns. Similarly, teachers, after 13 years or after 16 years in the Portsmouth School, will continue to receive stipends of \$3,099 and \$3,722 respectively. It is further understood that a teacher receiving a longevity stipend is not precluded from achieving model teacher status; however, beginning July 1, 2015, no additional members of the bargaining unit will receive longevity.

## **Article 50**

### **LEADERSHIP**

50.1 The BOARD shall employ Department Heads, Team Leaders and Coordinators all of whom shall be paid a stipend in addition to their teaching responsibilities. While these leadership positions include teaching responsibilities; assignments will be flexible based upon district needs and job assignment. These leadership positions will be evaluated by the Principal / or Administrator and will serve at the discretion of the Superintendent. These leadership positions may be required to work additional days as part of their overall responsibilities, but only upon prior approval of the Principal / Administrator.

50.2 Department Heads, Team Leaders and coordinators in special education and performing arts will be paid accordingly.

50.3 All Department Heads will be required to teach a full schedule of classes. Department Heads' duties will be instructional teaching, coaching, curriculum, budget, schedule supervision, and aiding the classroom teacher in any way possible within his/her area.

All leadership positions may serve a maximum of two (2) consecutive three (3) year terms. Exceptions will be granted as mutually agreed by the Association President and the Superintendent.

## **Article 51**

### **SALARY PAYMENT SCHEDULE**

Each teacher may choose to be paid in either twenty-one (21) or twenty-six (26) payments, biweekly, starting with the first School Department payday after the start of the school year in September. The Business Department must be notified by the end of the previous school year if the payment schedule for the following year is to change. Once a teacher requests either the twenty-one (21) or twenty-six (26) payments, no change may be made in this schedule until the following year. Teachers electing the 26 payment option, will receive the last 5 payments in their last check in the fiscal year in one lump sum.

## **Article 52**

### **SALARY SCHEDULE**

The Salary increases will be as follows:

**2019-2020: Rolling COLA, minimum of 2% and maximum of 5%**

**2020-2021: 2.5%**

**2021-2022: 2.5%**

Effective July 1, 2019, a COLA Adjustment percentage increase shall be computed which shall not be less than 2% nor more than 5. The COLA Adjustment percentage shall be determined by the rolling ten (10)-year average in the CPI-U for the Boston-Cambridge-Newton, MA-NH all items index as computed by the Bureau of Labor Statistics of the U.S. Department of Labor for the ten (10) most recent calendar years preceding the July 1 adjustment. BLS's calendar year for this index is November through November, it is not published on a December to December basis. The reference base is 1982-1984 equals 100 until BLS updates the reference base at which time the parties agree to adopt the official reference based as used by BLS

*Thus if the CPI-U for the Boston SMSA calendar year 2003 (Nov. 2002-Nov. 2003) is 1.5% the applicable COLA Adjustment on July, 2004 would be 2%; if it is 3.5% the applicable COLA Adjustment would be 3.5%; if it is 5.5% the applicable COLA Adjustment would be 5.0%.*

The Salary Schedule shall be changed as indicated in Appendix A.

Both parties agree that teachers will advance in salary by attaining Achievement Units (AUs) that allow teachers to move up the Interval Scale as described below. The intent of the AUs is to ground the compensation system in clear measures of growth in teacher practice as well as strong contributions to a professional learning community.

**52.1 Annual Achievement Units.** Three (3) prescribed AUs are required to move to the next interval. Two AU's associated with our professional learning community process are earned when SMART goals are approved and when results are reported. Awarding AUs for effective PLC work will not be dependent on a particular result in learning, but rather, submitting SMART goals and collecting evidence of student learning must suggest authentic implementation of PLC practice. The third AU is attained when the teacher completes a self-evaluation addressing all of Danielson's domains.

**52.2 Additional Achievement Units:** It is understood that teachers may advance an additional interval (three intervals) every two years. The Teacher Quality Panel will determine the menu of AU's for educators in all content areas and grade levels including the following areas:

- Professional Development activities, in-district courses and additional coursework in one's content area or pedagogy provided such activities are not being used for credit under the provisions of Advance Degree in Article 48.
- Contributions to colleagues
- Overall contributions to students, the school and district.

**52.3 Tracking and Awarding of Achievement Units:** The District's Committee will determine attainment of PLC Achievement Units. The building administrator will track completion of annual self-evaluation. The teacher will be responsible for submitting all professional development and transcripts of a B or better for all external coursework.

**52.4 Administrators will track completion of the three (3) prescribed AUs.** The teacher will be responsible for submitting all professional development and transcripts of a B or better for all external coursework.

**52.5 Mentor Teacher.** Any teacher with nine (9) or more years of successful teaching experience may provide evidence of highly effective teaching to the District's Teacher Quality Panel (TQP). The TQP will review evidence against Danielson's domains and make recommendations to Assistant

Superintendent for any teacher judged “ distinguished “ in all of Danielson’s domains will earn mentor teacher status. There is no limit to the number of teachers who may be achieve mentor teacher status. Mentor teachers will earn a stipend equal to 8% of their teacher interval salary. Mentor teachers must show evidence of their professional contributions to their school and/or district staff. The TQP will determine criteria for such evidence and review the status of Mentor Teachers every three (3) years as aligned with the teacher’s recertification cycle. There shall be no limit on the number of teachers who achieve Mentor Teacher status.

Responsibilities for those who have achieved full mentor teacher status shall include:

- Support fellow teachers in developing skills in planning, instruction, and classroom management. Share your own experiences, ideas, beliefs, and management procedures to help the teachers to gain classroom confidence.
- Encourage fellow teachers to reflect on each lesson to gain further insights from his/her successes and challenges.
- Set up a specific time/day with fellow teachers to review future lesson plans. Make sure this gives the teacher ample time to modify accordingly.
- Mentor teachers will participate in district or school level committees, professional development planning, and help to review school policies and best practices.
- Mentor teacher classrooms will be open for observation for other teachers’ growth.

52.6 Conditional Mentor Teacher- Any teacher who successfully demonstrates that they have successfully completed benchmarks in fifteen (15) out of the twenty-two (22) Danielson’s components will earn a stipend equal to 4% of their teacher interval salary. At least six (6) of fifteen (15) domains must be priorities. The teacher must complete the remaining seven (7) components within two (2) years according to TQP application deadlines. Any teacher who has not attained the Mentor Teacher status within two years will no longer be eligible to receive the Conditional Mentor Teacher stipend.

**Article 53**

**COACHING, EXTRA-CURRICULAR, AND STIPEND COMPENSATION**

All coaching, extracurricular, and special services compensation will increase by two percent (2.0%) in 2020-2021. Any Portsmouth teacher will receive the following additional stipend (non-cumulative) for coaching a middle or high school sport:

1 <sup>st</sup> and 2 <sup>nd</sup> year of coaching	\$255 per year
3 <sup>rd</sup> through 7 <sup>th</sup> year of coaching	\$510 per year
8 <sup>th</sup> and more years of coaching	\$765 per year

Any Portsmouth teacher coaching an elementary school sport for three or more years will receive a stipend of \$255 per year.

A Joint Labor Management Committee will be established to oversee the disbursement of Extra-curricular stipends with the goal to have equity within the district. This committee will meet at least three times annually to review the viability of current or proposed stipends and will make recommendations to the Association President and Superintendent regarding stipend adjustments.

The Joint Labor Management Committee shall be comprised of one (1) individual from Elementary, Middle, and High School teacher as appointed by the Association President and one (1) Administrator from each level as appointed by the Superintendent.

A flexible spending pool for new activities will be established from unused activity stipends. Monies from this pool will be reallocated as approved by the Joint Management Committee.

Any employee requesting more than one stipend for the same related activity must seek prior approval from the Superintendent with input from the Association President.

All coaching, extra-curricular , and stipend positions shall be re-posted every three (3) years, with exception of high school class advisors which will be posted every four (4) years, starting with the beginning of this contract in 2019 continuing in 2022 and thereon every three (3) years.

## APPENDIX B

### PROFESSIONAL LEARNING PROJECTS (PLP): THEORY INTO ACTION

**Purpose:** The Purpose of the Professional Learning Project (PLP) is to support the development of an engaged learning community through innovative strategies in responding to student learning needs and sharing promising practices among educators. The PLP proposal must contribute to progress on district/building goals/initiatives including, but not limited to literacy, personalization, technology, power standards and assessment. Projects should connect together as many aspects of our “5 area framework” as possible by including elements of curriculum, instruction, assessment, professional development, and community.

**Inquiry Question:** This question frames the project and guides the professional learning. The question should be framed to focus on a specific issue appropriate to the teaching assignment/role of the individual(s). The question should be specific enough to be answered through action research, including research of best practices and the collection of actual student work.

Some samples:

*What are effective strategies in accelerating the growth of students who are more than two years below grade level in reading?*

*How can technology be integrated effectively to increase student learning in the content areas?*

**Teacher (s):** The Professional Learning Project can be a proposal for an individual or a group. Collaboration is strongly encouraged as well as a team approach to meeting the needs of students across classrooms. This might include small study circles devoted to discussion of common readings tied to a project theme.

**Proposed Timeline:** The duration of the PLP can be for as little as a semester and as long as two years, but PLP credits will only be awarded upon successful completion of the project.

**Proposals:** The Professional Learning Project should outline the research to be completed, the actions to be taken, and the evidence of student learning expected in addressing the inquiry question. The proposal should be detailed with dates for key events. An inquiry journal will be used to reflect on the professional learning throughout the project. The proposal should contain reasonable estimates of the time necessary to complete each phase of the PLP. The ultimate success of the project will lie in many educators engaging in this process of life-long learning, reflecting on what they have learned and bringing that new understanding or insight into their everyday classroom planning and instruction. Project participants will also be required to make a public presentation of their work to the staff and/or community. Deadlines for proposals to begin in the Fall semester is May 1 for the Spring semester is November 1.

**Committee:** A Committee made up of three teachers appointed by the APT and three administrators appointed by the Superintendent will review PLP proposals and recommend to the Superintendent those proposals that the Committee deems appropriate along with an estimate of the credits that will be awarded upon the successful completion of the project. The Superintendent will make a final determination within 30-days of receipt of the proposal from the Committee. The Committee will also evaluate PLPs in progress and determine if the PLP has been satisfactorily completed and how many credits should be awarded. If the Committee is not unanimous in determining whether the PLP has been satisfactorily completed or how many credits to award, the matter shall be referred to the Superintendent for a final determination. If the teacher(s) disagree with the Superintendent's final determination, the teacher(s) involved, accompanied by another member of the bargaining unit, shall be given the opportunity to discuss the PLP with the Superintendent.

**Credits:** PLP credits will be awarded after all requirements are met. PLP credits will be based upon a conversion table that roughly equates to the time commitment of university credits and degrees. For example, a three-credit university course normally requires 45 hours of class time plus 2 hours of travel/preparation for each hour of class time, or a total of 135 hours.

**Staff Development Hours:** Only staff development hours in excess of those necessary to achieve certification will be counted toward advancement on the Advanced Degree schedule, limited to 5 credits every 3 years.

**Transition:** No PLP or Profession Development credits will be awarded for professional activities conducted prior to the effective date of the CBA. No teacher will be placed higher on the new Advanced Degree schedule higher than his/her current track status.

**Salary Adjustments:** Salary adjustments based upon successful completion of the PLP shall be applied once a year in accordance with present contract language.
