There are five cemeteries within the area called:
"SOUTH STREET CEMETERY"

**PROPRIETORS CEMETERY
HARMONY GROVE CEMETERY
SAGAMORE CEMETERY
COTTON CEMETERY
ELMWOOD CEMETERY**

Proprietors Cemetery (sometimes called Auburn Street Cemetery) was laid out in **1830**. There are 3 sections after entering the main gate. The 1st, left and right side of the paved road. (Cotton Cemetery is to the far left) At the bottom of the hill, across from the pond, is the 2nd section. Section 3 is to the right, on a hillside.

This project continues the task that John Eldridge Frost undertook in 1945. He recorded the tombstone data in the entire "South Street Cemetery".
