Bid #18-11 Addendum #1

Police Department – Eaton Powerware UPS and Extended Battery Module

This Addendum forms part of the original document marked: Bid #18-11 Police Department – Eaton Powerware UPS and Extended Battery Module.

The following questions have been asked and answered.

Question #1 Does the Police Department have a loading dock?

Answer #1 No- the equipment will need to be offloaded from the vendors truck and then wheeled into the Police Department through doors located on the ground level.

Question #2 Will there be a scheduled site visit?

Answer #2 **Vendors may call Gil Emery at (603) 610-7411 to arrange for a site visit.** There will not be a scheduled pre-bid meeting.

Question #3 Will the Police Department provide an electrician to hook up the generator?

Answer #3 The Police Department is asking for vendors to submit pricing for the following two situations:

The vendor provides the electrician that hooks up the equipment and then completes factory setup and configuration.

The City will provide an electrician that will provide power to the equipment, and the vendor will then complete factory set up and configuration.

See the revised Bid Proposal Form

You are directed to make the following changes to the Bid Document:

1. **BID PROPOSAL FORM**

Delete the Bid Proposal Form and replace with the revised Bid Proposal Form.

2. The Eaton Powerware Extended Battery Module, 103004193-5501 is to be replaced with Eaton Powerware Extended Battery Module, 103004868. This is to be changed through out the entire bid document.

All else remains unchanged from original bid document.

Please acknowledge receipt of this addendum within your proposal, failure to do so may subject a bidder to disqualification.
