

City of Portsmouth
Portsmouth, New Hampshire
Public Works Department
Request for Proposals # 27-11

ADDENDUM #1

**GREASE TRAP INSPECTION, PUMPING, HAULING & DISPOSAL (RECYCLING)
A PILOT PROJECT**

The City has learned that several potential vendors did not receive notice of the City's Request for Proposal as intended. Given the unique nature of this pilot program and that some of the vendors presently serve entities that are participating in the pilot program, the City is exercising its rights to extend the submission deadline and set an additional meeting time.

The City is extending the deadline for submission of proposals to April 7, 2011 at 4:00 p.m. and setting another mandatory pre-proposal meeting.

The City is holding a second pre-proposal meeting on March 31, 2011 at 11:00 a.m., at the Department of Public Works, 680 Peaverly Hill Road, Portsmouth, NH. This meeting is mandatory for those vendors who seek to submit a proposal and who did not attend the first meeting. Those providers who attended the first mandatory pre-proposal meeting held on March 8, 2011 do not need to attend this second meeting. All others must attend.

Proposals received prior to issuance of this addendum are acceptable and will be retained by the Finance Department.

All else remains the same in RFP.
