

## Addendum #1

### Banfield Road Improvements Project Bid Proposal #36-20 Issued July 8, 2020

This Addendum modifies and is henceforth part of the **CONTRACT DOCUMENTS AND SPECIFICATIONS for the Banfield Road Improvements Project**. Bidders must acknowledge this Addendum within their bid proposal. Failure to do so may subject a bid to disqualification.

#### GENERAL CLARIFICATIONS

1. Sealed bid proposals, plainly marked, "Banfield Road Improvements Project Project, Bid Proposal #36-20" on the outside of the mailing envelope as well as the sealed bid envelope, addressed to the Public Works Department, 680 Peverly Hill Road, Portsmouth, New Hampshire, 03801, will be accepted until **2:00 p.m. on Wednesday, July 15, 2020**; at which time all bids will be publicly opened and read aloud.
2. Questions will be accepted until 9:00 a.m. on Monday, July 13, 2020. Any questions received will be addressed via a second Addendum that will be issued by 2:00 p.m. that day if necessary.
3. A Revised Proposal Form is attached to this document. It shall supersede pages 9 through 29 of the Contract Documents and Specifications.
4. Please note that "PHASE 1: BASE PROJECT", as represented in the Construction Drawings, has been divided into "BASE PROJECT BID SCHEDULE (BASIS OF AWARD)" and "ADD-ALTERNATE #1 SCHEDULE" in the Proposal Form. Accordingly, "PHASE 2: ADD ALTERNATE", as represented in the Construction Drawings, is represented as "ADD-ALTERNATE #2 SCHEDULE" in the Bid Form.
5. Completion dates shall be as follows:
  - If **only the Base Bid** is awarded, the contractor shall have until November 20, 2020 to reach final completion.
  - If the **Base Bid and Add-Alt #1** are awarded, the contractor shall have until November 20, 2020 to complete all work included in the Base Bid. They shall have until May 14, 2021 to reach final completion of the project.
  - If the **Base Bid, Add-Alt #1, and Add-Alt #2** are awarded, the contractor shall have until November 20, 2020 to complete all work included in the Base Bid. They shall have until June 11, 2021 to reach final completion.
6. The Contractor will not be required to open road closures one half-hour before the daily scheduled close of Water Country as indicated in the Special Provision – Amendment to Section 619 - Maintenance of Traffic.

7. A NHDES Wetland Permit (File #2019-02206) and Army Corps Programmatic General Permit (file #NAE-2017-00586) have been issued for this project. The permit approvals and conditions for both permits are posted on the City website with the rest of the bid documents. It shall be the responsibility of the Contractor to comply with any and all applicable conditions and regulations contained within or associated with these permits, with the exception of Conditions 29, and 31-34 under "MITIGATION" contained in the NHDES Wetlands Permit. These conditions will be addressed by the City of Portsmouth.
8. A Storm Water Pollution Prevention Plan (SWPPP, item #645.7) shall be provided for only in the Base Bid, but shall cover all work included in Add-Alternative #'s 1 and 2. Monitoring of the SWPPP (Bid Item #645.71) shall be included in all three bid schedules, but in varying numbers of hours. See Revised Proposal Form.
9. In addition to monitoring of the SWPPP, the Contractor shall provide a certified wetland scientist or qualified person to carry out Conditions 22-28 under MONITORING within the NHDES Wetland Permit Conditions. All of these costs will be covered under Bid Item #645.71.
10. The City was unable to obtain any permanent or temporary easements from the owner of Map 274 Lot 4. Accordingly, it shall be the responsibility of the Contractor to avoid any and all impacts to this property. Among the potential impacts to be avoided, the water level of the pond on this property must be maintained throughout construction.
11. There is catch basin shown in the existing conditions survey on the east side of Banfield Road at Station 233+16. The outlet pipe (10" RCP) for this structure runs along the shoulder approximately 120 feet and empties into the inlet of the existing BAN-5 culvert. This pipe must be tied into the new outlet control structure (OCS) for BAN-5. A penetration for this pipe should be included in the shop drawings, and cast into the OCS. The Contractor shall include costs in Bid Item #604.9101 for the labor and materials necessary to tie this pipe into the OCS, at the structure only. In case the structure and/or pipe need to be replaced, the following items/quantities have been added to the Base Bid in the Revised Proposal Form:
  - 120 additional linear feet of 12" PE Pipe (Type S) (Item #603.82212)
  - 1 Drop Inlet, (Type B, 2' Dia.) (Item #604.222)
12. The costs for all frames and covers/grates shall be included in the unit prices of the appropriate structures. This includes manholes, catch basins, drop inlets, and outlet control structures.
13. Base Bid Item #209.1 (Granular Backfill) has been amended on the Revised Proposal Form to include an additional 465 cubic yards in the bid quantity (revised total = 656 CY). This shall cover clean, suitable granular backfill for embankment if reclaim material is deemed unsuitable for any reason.

### SUBMITTED QUESTIONS

<b>Question #1:</b>	<b>Does the City really want to install <u>sloped</u> granite curbing directly adjoining with the concrete sidewalk?</b>
<i>Answer:</i>	<i>Yes. This intent of this design feature is to help turtles mount the curb. This was required by the City Conservation Commission for approval of the project.</i>
<b>Question #2:</b>	<b>Has an Engineer's Estimate been established?</b>
<i>Answer:</i>	<i>Yes:</i> <ul style="list-style-type: none"><li>• <i>Base Bid + Add-Alt #1: \$1,220,000.00</i></li><li>• <i>Add-Alternate #2: \$515,000.00</i></li></ul>
<b>Question #3:</b>	<b>What is item # 544.1 Reinforcing Steel (Roadway) for?</b>
<i>Answer:</i>	<i>The intent was to cover Steel Reinforcement for certain reinforced concrete items. For simplification, this item has been eliminated from the Revised Proposal Form. All necessary steel reinforcement shall be subsidiary to each reinforced concrete structure, including but not limited to, catch basins, drop inlets, headwalls, outlet control structures, and modular retaining wall blocks.</i>
<b>Question #4:</b>	<b>Are Bid Items #618.6 (Police Details) and #618.7 (Flaggers) supposed to be in units of days? Usually these are hourly, and an allowance is provided by the City.</b>
<i>Answer:</i>	<i>No. The units for these Bid Items have been corrected/changed to hours, and allowances have been added. See Revised Proposal Form.</i>
<b>Question #5:</b>	<b>Is Bid Item #619.25 (Portable Changeable Message Sign) supposed to be "price per unit"? Usually this is weekly or monthly.</b>
<i>Answer:</i>	<i>No. The units for this Bid Item have been corrected/changed to weeks. See Revised Proposal Form.</i>
<b>Question #6:</b>	<b>Is Bid Item #632.0104 (4" Retroreflective Thermoplastic Pavement Marking, 4" Line) supposed to be <u>thermoplastic</u>?</b>
<i>Answer:</i>	<i>No, 4" long lines should be <u>painted</u>. This Bid Item has been corrected. See Revised Proposal Form.</i>

<b>Question #7:</b>	<b>Please provide an allowance for Bid Item 1008.11 (Alterations and Additions as Needed – Unanticipated Work).</b>
<i>Answer:</i>	<i>An allowance has been added for this Bid Item. See Revised Proposal Form.</i>
<b>Question #8</b>	<b>Please clarify the payment dimensions for the steel sheet piling (Item #506.501). Special Provisions Section 506 Paragraph 4.1.1 indicates a vertical height of either fifteen or 8 feet.</b>
<i>Answer:</i>	<i>The correct height should be eight (8) feet for the purpose of calculating the payment quantity.</i>
<b>Question #9:</b>	<b>Is Add-Alt #1 part of the base bid? If not, how is trench patch, etc. being paid under the base bid?</b>
<i>Answer:</i>	<i>See General Clarification #4 above. Trench patch is covered under Bid Item #403.12 (hand paving) in the Base Bid.</i>

**SEE ATTACHED REVISED PROPOSAL FORM BELOW.**

**(END OF ADDENDUM #1)**

**PROPOSAL FORM**

**Banfield Road Improvements Project**

CITY OF PORTSMOUTH, N.H.

To the City of Portsmouth, New Hampshire, herein called the Owner.

The undersigned, as Bidder, herein referred to as singular and masculine declares as follows:

1. All interested in the Bid as Principals are named herein;
2. This bid is not made jointly, or in conjunction, cooperation or collusion with any other person, firm, corporation, or other legal entity;
3. No officer, agent or employee of the Owner is directly or indirectly interested in this Bid;
4. The bidder has carefully examined the sites of the proposed work and fully informed and satisfied himself as to the conditions there existing, the character and requirements of the proposed work, the difficulties attendant upon its execution and the accuracy of all estimated quantities stated in this Bid, and the bidder has carefully read and examined the Drawings, Agreement, Specifications and other Contract Documents therein referred to and knows and understands the terms and provisions thereof;
5. The bidder understands that the quantities of work calculated in the Bid or indicated on the Drawings or in the Specifications or other Contract Documents are approximate and are subject to increase or decrease or deletion as deemed necessary by the Portsmouth City Engineer. Any such changes will not result in or be justification for any penalty or increase in contract prices; and agrees that, if the Bid is accepted the bidder will contract with the Owner, as provided in the Contract Documents, this Bid Form being part of said Contract Documents, and that the bidder will supply or perform all labor, services, plant, machinery, apparatus, appliances, tools, supplies and all other activities required by the Contract Documents in the manner and within the time therein set forth, and that the bidder will take in full payment therefor the following item prices; and
6. It is the intention of this contract that the items listed above describe completely and thoroughly the entirety of the work as shown on the plans and as described in the specifications. All other items required to accomplish the above items are considered to be subsidiary work, unless shown as a pay item.

**BASE PROJECT BID SCHEDULE (BASIS OF AWARD)**

INCLUDES EMBANKMENT AND RETAINING WALL THROUGH WETLANDS, CULVERTS, DRAINAGE, GUARDRAIL, AND ANCILLARIES.
