ADDENDUM NUMBER 1

RFP 38-24

Construction Engineering and Inspection Services, Bartlett Street

Issued March 6, 2024

Question #1:

Is the plan set for Bartlett Street Area Reconstruction available for review?

Answer #1:

There was an error on the RFP document. Under Project Background, the last sentence incorrectly stated the Bid number for the reference project. The last sentence is revised to:
“Drawings for the project are currently available online at the City of Portsmouth – Finance – Bids and Proposals (Bid 26-24) for your reference.”

Acknowledge this addendum within your proposal. Failure to do so may subject bidder to disqualification.
