The City of Portsmouth reserves the right to reject any or all proposals, to waive technical or legal deficiencies, and to accept and negotiate any terms of a proposal that may be in the best interest of the City.

INTRODUCTION

The City of Portsmouth, New Hampshire (City) seeks to engage a qualified, independent certified public accounting firm (hereinafter call the “Auditor” or the “firm”) with sufficient expertise in governmental accounting and auditing, to audit the City’s financial records and assist with the preparation of the Annual Comprehensive Financial Report (ACFR) beginning with the fiscal year ending June 30, 2023 in accordance with the specifications outlined in this Request for Proposal (RFP). The Auditor must be licensed to practice in the State of New Hampshire.

The audit is to be performed in accordance with generally accepted auditing standards, the standards set forth for financial audits in the General Accounting Office’s (GAO’s) *Government Auditing Standards* (1994), the provisions of the Federal Single Audit Act of 1984 (as amended in 1996), and U.S. Office of management and Budget (OMB) Circular A-133, *Audits of States, local governments, and Non-Profit Organizations*.

The City proposes a three-year contract, but Auditor should be aware that the City’s obligation for years two and three is contingent on future City Council funding. Funding is appropriated for FY 23 only. The contract will include express language to address this contingency.

Questions should be directed in writing to the Purchasing Coordinator at purchasing@cityofportsmouth.com no later than (7) seven days prior to the submission deadline.

Proposals submitted will be available for the public to review as may be required by NH RSA 91-A after the competitive selection process is complete (concluded with a contract) or rejection of all proposals. Firms should not submit confidential information unless requested or approved to do so by the Purchasing Coordinator prior to submission of the response.

The City has a standing Audit Committee that will be involved in the selection process and make a recommendation to the City Council as described in this RFP.

D. Objective and Scope of Work to be Performed

1. The audit will encompass both a financial and compliance examination of the City of Portsmouth basic financial statements and supporting and supplementary information, compliance reports and the Annual Comprehensive Financial Report (ACFR). The financial and compliance audit will cover federal, state and local funding sources in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the following:

- a. *Government Auditing Standards* issued by the U.S. Government Accountability Office;
 - b. Single Audit Act of 1984 and Single Audit Act Amendments of 1996, if applicable;
 - c. Provisions of the U.S. Office of Management and Budget OMB Circular No. A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, if applicable;
 - d. *Government Auditing Standards and Circular A-133 Audits* issued by the American Institute of Certified Public Accountants; and
 - e. All other applicable laws and regulations.
2. The Auditor will be responsible for assisting with the preparation of the basic financial statements, supplementary information, compliance reports and the City's GFOA Award winning ACFR. The Director of Finance & Administration will be actively involved in preparing the Management Discussion and Analysis (MD&A), other schedules section and supplementary information. The Auditor will submit a draft of the financial statements to be reviewed in detail by the Director of Finance & Administration. This draft shall be submitted to the City in time to allow ample review and corrections. ACFR submission deadline to National GFOA is December 31, for each respective year.
 3. The audit shall result in the preparation of financial statements from the audited records of the City with the Auditor's opinion thereon. The Auditor's opinion shall be expressed in the report and include reasons for qualifying the opinion, disclaiming the opinion, or rendering an adverse opinion.
 4. The Auditor shall perform the audit and prepare all reports pertaining to the Single Audit Act of 1984 and the Single Audit Act Amendments of 1996. The Auditor is not required to audit the schedule of federal financial assistance. However, the Auditor is to provide an "in-relation-to" report on that schedule based on the auditing procedures applied during the audit of the financial statements.
 5. The auditor shall be prepared to advise City of Portsmouth staff on how to best implement both current and proposed GASB Statements. In addition, the auditor is also expected to provide informal advice and consultation throughout the year on matters relating to accounting and financial reporting. This would not necessarily include any task that entails significant research or a formal report.
 6. Should circumstances arise during the audit that require significant additional work to be performed in excess of the amounts set forth in the contract, additional costs shall be negotiated prior to commencement of the work and an amended contract will be submitted for approval.
 7. In planning and performing the audit, the Auditor shall consider the City of Portsmouth system of internal control as a basis for designing auditing procedures and for the purpose of expressing an opinion on the financial statements. The Auditor shall communicate in a written report titled *Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with*

Government Auditing Standards any material weaknesses in internal controls found during the audit. A material weakness shall be defined as a significant deficiency in internal controls, or combination of significant deficiencies that results in more than a remote likelihood that a misstatement of the City's financial statements will not be prevented or detected by the City. Said report shall include written responses by the Director of Finance and Administration to the Auditor's comments and recommendations.

8. Non-material conditions and/or other matters that come to the attention of the Auditor related to opportunities for strengthening internal controls and operating efficiencies shall be reported in a management letter with prior discussion to the Director of Finance & Administration. The management letter shall include written responses by the Director of Finance & Administration to the Auditor's comments and recommendations.
9. The Auditor shall be required to make an immediate written report of discovery of material irregularities, illegal acts, or indications of illegal acts to the Audit Committee and City Attorney as well as to the governing body as may be required
10. As guided by AICPA Auditing Standards Board Statement on Auditing Standard No. 117, the Auditor should exercise due professional care in understanding the type of engagement and also requiring that if during the audit the Auditor becomes aware that the City is subject to audit requirements which may not be encompassed in the terms of the engagement he or she should communicate to management and the audit committee or others with equivalent authority and responsibility that the audit may not satisfy the requirements.

In addition to completing the annual audit, the auditing firm shall be available during normal business hours, throughout the contract period, to provide the City with advice and guidance on financial accounting and reporting issues. The auditing firm will also be expected to keep the City staff informed of the requirements of all new accounting and financial reporting pronouncements of the Governmental Accounting Standards board and the United States Office of management and budget and provide sufficient training the City staff for them to effectively meet their responsibilities under all such new requirements.

11. It is expected that the successful proposer will designate a senior staff member, at the manager or partner level, who will be responsible for responding to City phone calls and e-mail communications within one business day.

E. Report Requirements

Following the completion of the audit of the fiscal year's financial statements, the Auditor shall issue the following:

1. A report on the fair presentation of the financial statements and related supplementary information in conformity with generally accepted accounting principles for the City of Portsmouth. This supplementary information will be

subjected to the tests and other auditing procedures applied in the audit of the basic financial statements, and an opinion will be given as to whether the supplemental information is fairly stated in all material respects in relation to the financial statements taken as a whole.

2. A report on internal control and compliance with laws, regulations, and provisions of contracts and grant agreements based on the audit of the financial statements performed in accordance with *Government Auditing Standards*.
3. A report on compliance with requirements applicable to each major program and internal control over compliance in accordance with OMB Circular A-133 and the Single Audit Act, if applicable.
4. A schedule of findings and questioned costs in accordance with the Single Audit Act, if applicable.
5. Management letter if appropriate.

F. Assistance to be Provided to the Auditor

1. The City of Portsmouth will designate the Director of Finance & Administration as the audit engagement coordinator to work directly with the Auditor. The engagement coordinator will have responsibilities for the following:
 - a. Primary contact for questions, securing information, and other pending issues between the Auditor and the City on items related to the financial statements.
 - b. Coordinating meetings with the auditing team.
 - c. Helping to resolve issues with the Auditor not related directly to financial statements.
